

What about the Quiz module in the KMS/KAF Management Console – will it remain?

Last Modified on 08/03/2020 9:32 pm IDT

Yes, the [Quiz module](#) will remain intact. Note that both the [Editor Module](#) and the Quiz Module must be enabled for the Quiz to display in the Kaltura Video Editing Tools. If the Editor module is disabled, the Quiz module will not be displayed.
