About

This article explains how to download and install Kaltura Capture on a Windows computer.

For instructions on installing Kaltura Capture for Mac, see Install Kaltura Capture for Mac.

Before you begin

- Make sure your computer meets the requirements described in Kaltura Capture prerequisites and system requirements.
- Kaltura Capture isn't supported on mobile devices, tablets, or Chromebooks.
- The Kaltura Capture module must be enabled by your admininstarator.

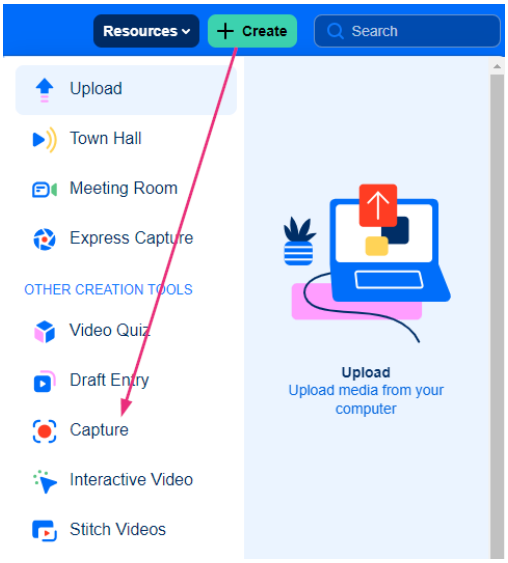

Download Kaltura Capture

Kaltura Capture is downloaded from your institution's Content Hubs / Video Portal or LMS. It isn't available from app stores or public download sites.

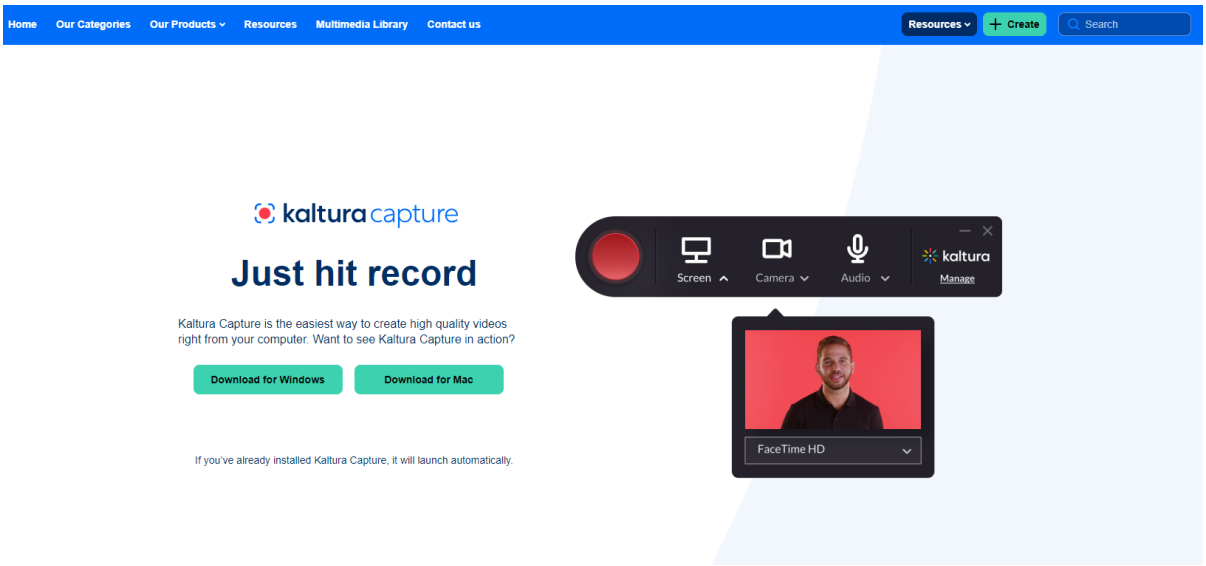

If Theming is enabled

1. Select **Capture** from the **+Create** menu.

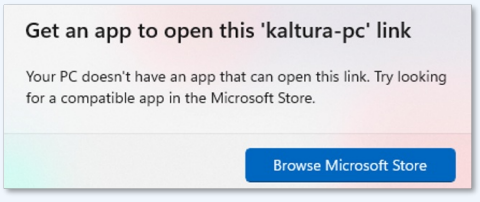

Copyright © 2025 Kaltura Inc. All Rights Reserved. Designated trademarks and brands are the property of their respective owners. Use of this document constitutes acceptance of the Kaltura Terms of Use and Privacy Policy.

The download page opens.

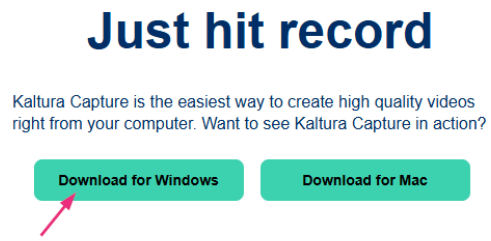

If this message appears, ignore it and continue to the next step.

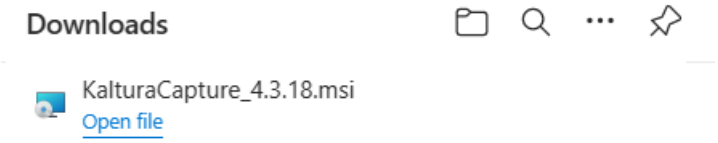

2. On the download page, click **Download for Windows**.

Copyright © 2025 Kaltura Inc. All Rights Reserved. Designated trademarks and brands are the property of their respective owners. Use of this document constitutes acceptance of the Kaltura Terms of Use and Privacy Policy.

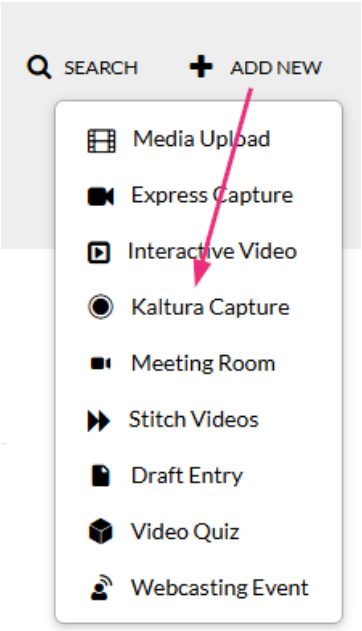

When the download is complete, you see a file named **KalturaCapture** in your Downloads folder.

If Theming isn't enabled

1. Select **Kaltura Capture** from the **+Add New** menu.

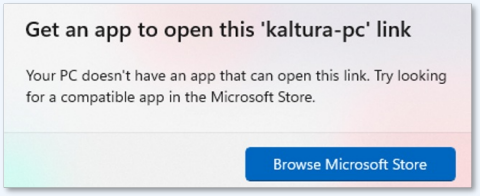

The download page opens.

If you're using a managed school or company computer, your IT administrator might need to approve the installation.

Install Kaltura Capture

1. In your downloads folder, locate the **KalturaCapture** file and click **Open File**.
2. On the Welcome screen, click **Next**.
   The **Installation Settings** screen displays. (Optional) At this point you can change the location where Kaltura Capture stores recordings by entering a different folder path.
3. Click **Next**.
   The **Ready to install Kaltura Capture** screen displays.
4. Review the installation settings and click **Install**.
5. When the installation is complete, click **Finish.**

If the installation fails, see Troubleshooting guide for Kaltura Capture desktop recorder.

Next steps

After installing Kaltura Capture, see Create your first recording in Kaltura Capture.
