

How do I configure the Tremor media 3rd Party plugin?

Last Modified on 08/26/2020 10:32 pm IDT

Tremor Video is a digital video technology company that serves the complementary needs of the media community. Tremor VideoHub Server offers advertisers massive reach and proven engagement with their marketing messages in 100% brand-safe environments, while the Acudeo income engine provides publishers easy access to multiple sources of revenue and the ability to manage and monetize every video impression. See [here](#) for more about configuring the Tremor media 3rd Party Plugin.
