

How to Enable Audio Devices for Kaltura Meetings on Android mobile devices?

Last Modified on 03/27/2025 8:19 am IST

 i Legacy notice
This article documents the legacy KME Room. For information on the new room, please visit the new Kaltura Room documentation.

This article describes how to enable access to the microphone and camera on Android devices when access may have been blocked during Kaltura Meetings room initialization. The following is not relevant when using Kaltura's video conferencing android app.

1. Open your browser's menu and tap Settings.

2. Scroll to Advanced Settings and tap Settings.
