

# How do I find other's media that I am a collaborator for?

Last Modified on 10/19/2020 11:46 am IDT

1. Go to My Media.
2. Click on Filters.

## My Media

Search My Media

-  **Northwestern "Lightboard"**  
 Open source hardware: <http://lightboard.info> The Lightboard is a glass chalkboard pumped full of light. It's for recording video lecture topics. You face toward your viewers, and your writing glows in front of you. I'm not writing backwards! [more...](#)
