Can I remove a participant from the room?

Last Modified on 01/03/2021 11:31 am IST

Yes, you can remove a participant from the room by finding their name in the participant list, clicking the drop down menu next to their name, then clicking **Remove from room** to remove them from the room immediately.

Note, the participant can return to the room at any time so you may want to Lock the door (https://knowledge.kaltura.com/help/lock-the-door).
