

What is the Kaltura scoring?

Last Modified on 01/05/2021 12:19 pm IST

How do you measure a top engaging video? Is it the most number of plays? How many users watched it? Is it the drop-off rate? In reality, it's not one thing, but the combination of all of the above. So we took into account these 3 metrics and created an engagement formula. It assigns a different weight to each metric and normalizes the score across your data.
