Enable Kaltura Video Quiz gradebook sync in Canvas

Content updated: 04/01/2021

This article is designated for administrators.

About

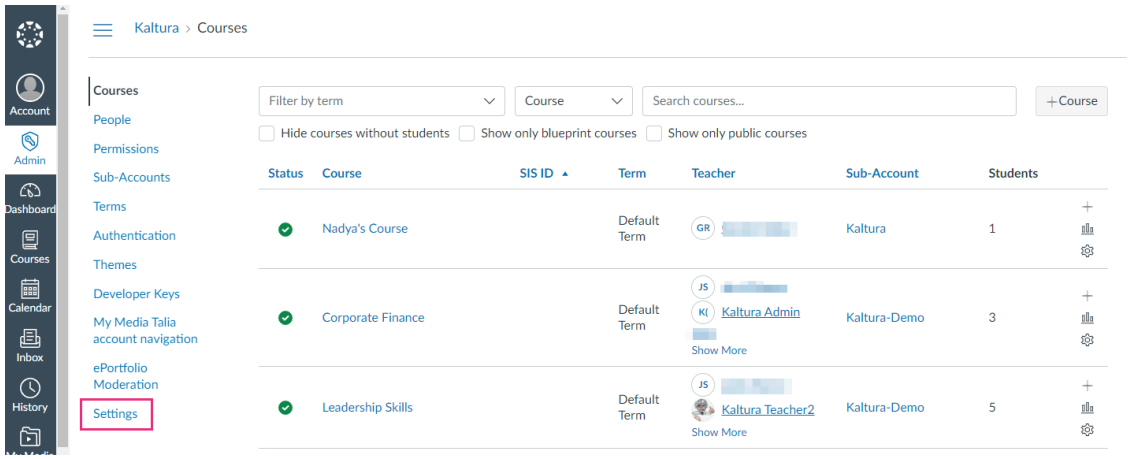

This article explains how to connect Kaltura Video Quizzes with the Canvas Gradebook. Once connected, quiz results are automatically recorded in the Canvas Gradebook.

Before you start

- Ensure the Kaltura LMS Video integration for Canvas is installed and configured.
- If needed, update the Media Gallery and Browse, Search, and Embed (BSE) tool using the latest integration. Generate the new XML file for your integration: `http://123456.kaf.kaltura.com/canvas/config/create-xml-for-instance`

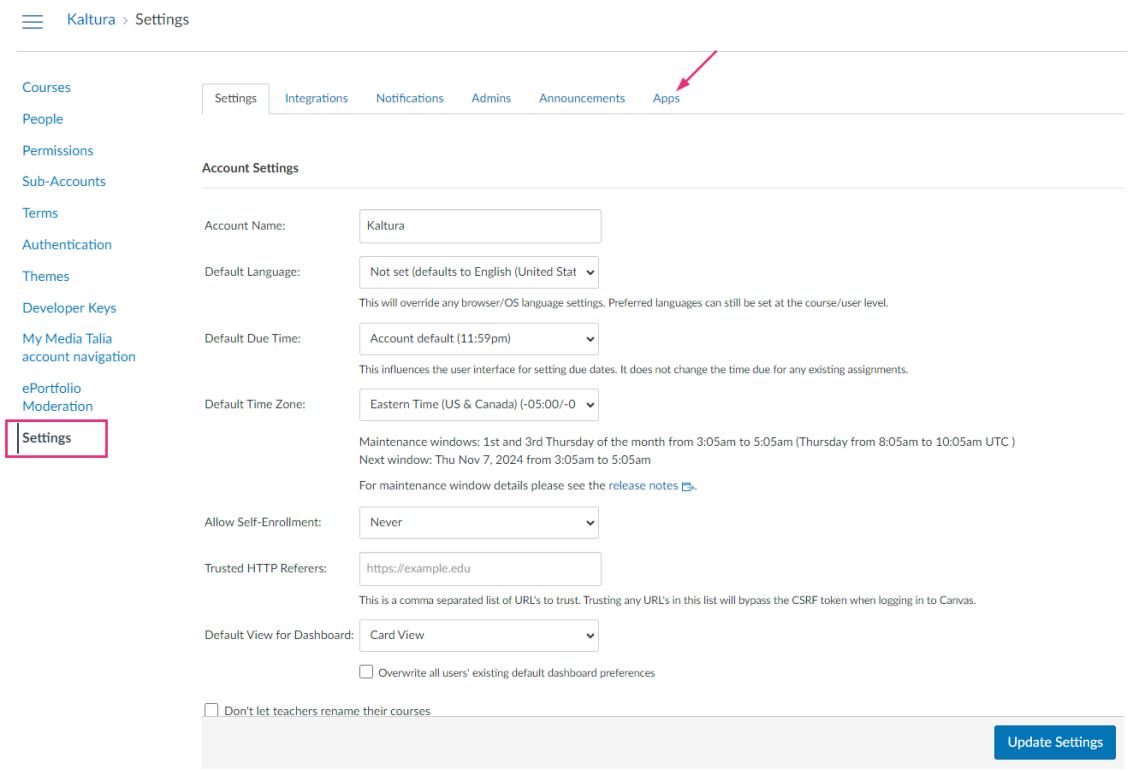

Setup

1. In Canvas, click the **Settings** tab.

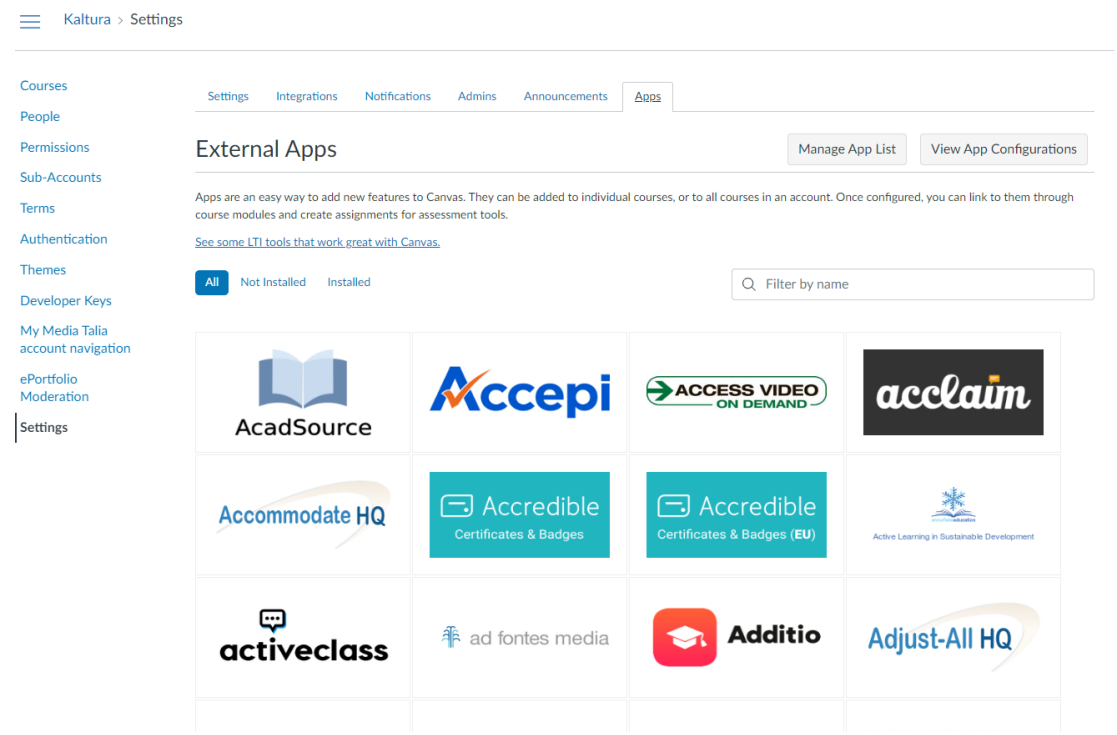

2. On the Settings page, click **Apps.**

Copyright © 2025 Kaltura Inc. All Rights Reserved. Designated trademarks and brands are the property of their respective owners. Use of this document constitutes acceptance of the Kaltura Terms of Use and Privacy Policy.

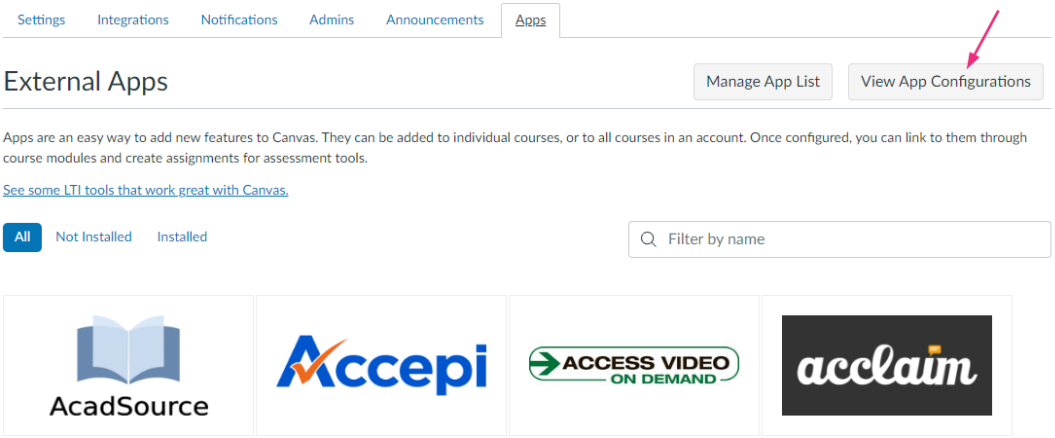

The **Apps** page displays.

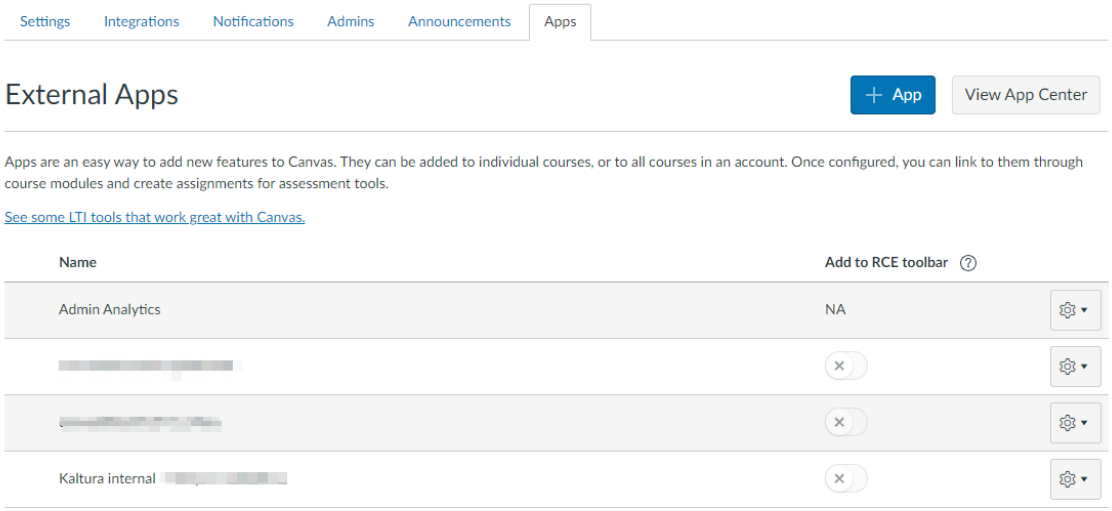

3. Click **View App Configurations.**

5. From the **Configuration Type** drop-down menu, select **Paste XML.**

The **Add App** window displays.

Copyright © 2025 Kaltura Inc. All Rights Reserved. Designated trademarks and brands are the property of their respective owners. Use of this document constitutes acceptance of the Kaltura Terms of Use and Privacy Policy.

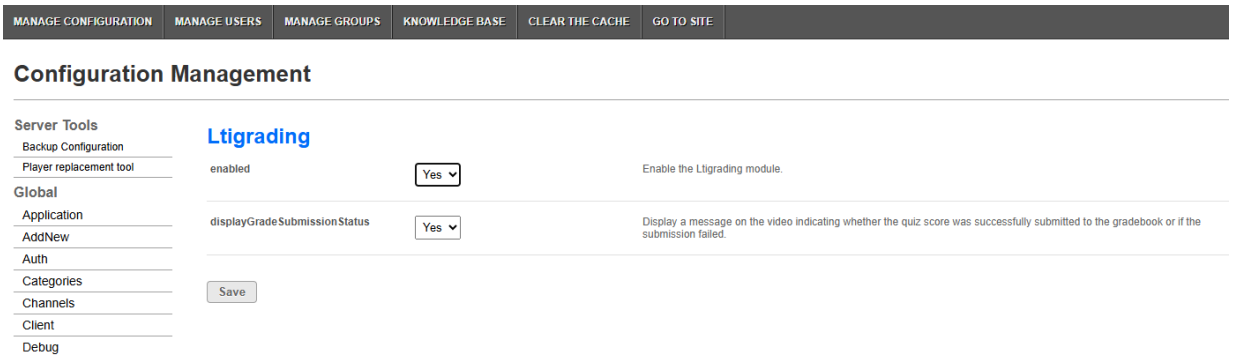

6. Enter the following information in the fields:

- **Name** - Enter the name, for example, Kaltura Video Quiz (only affects the list of installed tools).
- **Consumer key** - Enter your Kaltura account Partner Id, for example, 123456789.
- **Shared secret** - Enter your account administrator secret, for example, 6TS618TVBE48JAPE4H9CJQKEJSMEYXUD.
- **XML Configuration** - Paste the content of the Video Quiz xml, for example, http://123456.kaf.kaltura.com/canvas/config/create-xml-for-instance

7. Click **Submit**.

Enable the LTI grading module

1. In your Configuration Management console, go to the Ltigrading module.

2. Set enabled to 'Yes'.
3. Click **Save**.
