

Set up Kaltura LMS Video gradebook integration for video quizzes in Canvas

Last Modified on 02/17/2026 11:35 am IST

 This article is designated for administrators.

About

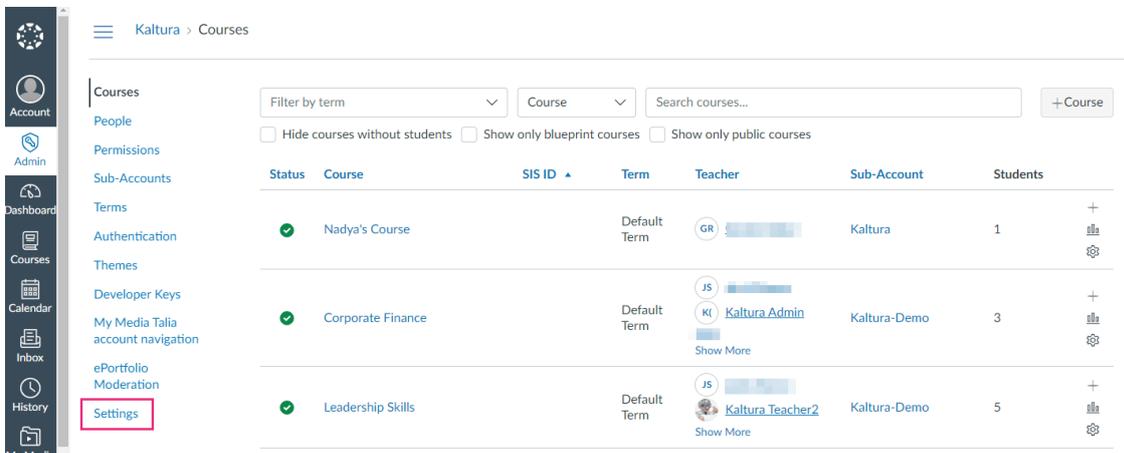

This article explains how to connect [Kaltura Video Quizzes](#) with the Canvas Gradebook. Once connected, quiz results are automatically recorded in the Canvas Gradebook.

Before you start

- Ensure the Kaltura LMS Video integration for Canvas is installed and configured.
- If needed, update the [Media Gallery](#) and [Browse, Search, and Embed \(BSE\) tool](#) using the latest integration. Generate the new XML file for your integration:
<http://123456.kaf.kaltura.com/canvas/config/create-xml-for-instance>

Setup

1. In Canvas, click the **Settings** tab.

Status	Course	SIS ID	Term	Teacher	Sub-Account	Students
✓	Nadya's Course		Default Term	GR [redacted]	Kaltura	1
✓	Corporate Finance		Default Term	JS [redacted] KI Kaltura Admin Show More	Kaltura-Demo	3
✓	Leadership Skills		Default Term	JS [redacted] Kaltura Teacher2 Show More	Kaltura-Demo	5

2. On the Settings page, click **Apps**.

Account Settings

Account Name:

Default Language:

This will override any browser/OS language settings. Preferred languages can still be set at the course/user level.

Default Due Time:

This influences the user interface for setting due dates. It does not change the time due for any existing assignments.

Default Time Zone:

Maintenance windows: 1st and 3rd Thursday of the month from 3:05am to 5:05am (Thursday from 8:05am to 10:05am UTC)
Next window: Thu Nov 7, 2024 from 3:05am to 5:05am
For maintenance window details please see the [release notes](#).

Allow Self-Enrollment:

Trusted HTTP Referrers:

This is a comma separated list of URLs to trust. Trusting any URLs in this list will bypass the CSRF token when logging in to Canvas.

Default View for Dashboard:

Overwrite all users' existing default dashboard preferences

Don't let teachers rename their courses

Update Settings

The **Apps** page displays.
