

# Presenters

Last Modified on 04/05/2021 6:02 pm IDT

This module allows you to add users to show as presenters to show on top of media entries. Once enabled, on each edit entry page, a new tab will show, allowing the owner of the entry to add a presenter. Note: This module replaces the kwebcast presenters, and deletes any users already used in kwebcast entries.

Field	Description
