

## Presenters module

Last Modified on 02/15/2025 6:33 pm IST

This module allows you to add users to show as presenters to show on top of media entries. Once enabled, on each edit entry page, a new tab will show, allowing the owner of the entry to add a presenter. Note: This module replaces the [kwebcast](#) presenters, and deletes any users already used in [kwebcast](#) entries.
