

Kaltura Video Quiz Brightspace by D2L Gradebook User Guide

This article provides an overview of the requirements for and methods to use Kaltura Video Quiz (VQ) in such a way that a student's results are transferred to the Brightspace by D2L Gradebook. Please note that the screenshots herein display Brightspace by D2L's new Daylight theme.

 This guide demonstrates the Classic Content course layout. See reference <https://community.brightspace.com/s/article/Classic-Content-vs-New-Content-in-Brightspace-Which-One-Is-Right-for-You>.

Prerequisites

Introduction

Method 01 - Add Existing Activities

Method 02 - Embedding Via Insert Stuff

Change the Grade's Weight
