This guide describes how to deploy the Kaltura Video Quiz Sakai Gradebook Integration.

Audience

This guide is for Sakai and Kaltura administrators that intend to integrate the Video Quiz (VQ) feature with the Sakai Gradebook.

Prerequisites

- Sakai supported version: 11.4
- Kaltura Partner ID and Secret
- Kaltura Video Extension should be installed on your Sakai environment.

For example, a KAF instance URL such as 123456.kaf.kaltura.com. The KAF should have the Ltigrading (https://knowledge.kaltura.com/help/ltigrading) module available and enabled. If you cannot locate the module in the KAF instance, please ask your Kaltura representative to add it.
