

Setting Up a Kaltura Meeting Room Entry for Admins

Last Modified on 07/14/2021 6:32 pm IDT

To set up a Kaltura Meeting room entry

1. Enable the [Meetingentry](#) module in the KMS admin.
2. Enable the [MediaCollaboration](#) module in the KMS admin.
3. Login to your MediaSpace instance.
4. Click Add New and select Meeting Room to verify that Meeting Room was added.
