Setting Up a Kaltura Meeting Room Entry for Admins

Last Modified on 07/14/2021 6:25 pm IDT

⊞ To set up a Kaltura Meeting room entry

1. Enable the Meetingentry (https://knowledge.kaltura.com/help/meetingentry) module in the KMS admin.
2. Enable the MediaCollaboration (https://knowledge.kaltura.com/help/media-collaboration) module in the KMS admin.
3. Login to your MediaSpace instance.
4. Click Add New and select Meeting Room to verify that Meeting Room was added.
