

My Surveys Page Guide

Last Modified on 02/08/2022 12:51 am IST

As the event organizer, you want your attendees to enjoy your virtual event content. Inviting your attendees to share their experience and feedback about the sessions is a great way for you to learn about your audience preferences and adjust your content accordingly.

In addition to the survey link associated with each session page, your attendees can access the “My Survey Page” under the profile and explore the list of all sessions they watched and access their surveys links directly.

The screenshot displays the 'My Surveys' page in the Kaltura interface. At the top, there is a navigation bar with the Kaltura logo, a search bar, and a user profile icon labeled 'EN'. The main heading is 'My Surveys'. Below this, a list of seven survey sessions is shown, each with a thumbnail image, the date and time, the session title, and a 'Take a Survey' link.
