

# Speaker Profile Page Guide

The Speaker Page is a page that features the speaker's name, title, company, biography, and headshot.

Under the "Sessions" tab, attendees can view all content related to the specific speaker.

Attendees can add sessions from the speaker page "Sessions" tab to their "Watch List" by simply clicking on the "Add to Watch list" CTA button under the session description.

The "Info" tab includes the speaker's full biography.

The screenshot displays the Kaltura Speaker Profile Page for Michal Tsur. The header features the Kaltura logo, a search bar, and user settings (EN). The profile section includes a headshot of Michal Tsur, her name, title "Co-founder & President, Kaltura, Inc.", and a brief biography. Below the profile, there are tabs for "Sessions", "Info", "My Favorites", "My Agenda", and "My Agenda - Calendar view". The "Sessions" tab is active, showing a list of sessions. Each session entry includes the date and time, the session title, the speaker's name and title, a description, and buttons for "Add to Calendar", "Add to Watch List", and "Label". The sessions listed are "Looking into the Future", "How CIOs Think About Video: The Oracle Story", and "Kaltura Connect Opening Keynote". To the right of each session entry is a thumbnail image with the session title and speaker's name.
