

What is the difference between the Kaltura Video Conferencing app and the KMS Go app?

Last Modified on 01/23/2022 3:37 pm IST

The Kaltura Video Conferencing app may be used for Kaltura Meetings, Kaltura Virtual Classroom, and Kaltura Webinars.

The KMS Go app is used for Kaltura MediaSpace Video Portal and provides content discovery, sharing, offline viewing, commenting, powerful search tools, and push notifications.
