About

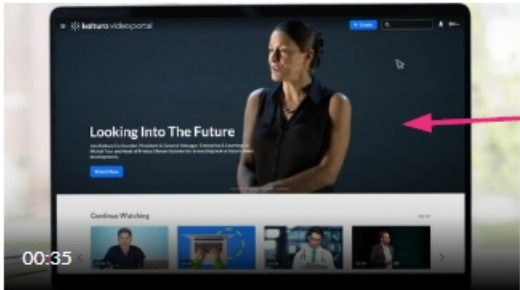

Media can be downloaded via the [media page](#) in the [video portal](#) and [KAF](#) applications.

 You can only download media if the media owner has enabled this capability. Please see our article [Enable media download](#) for more information.

 The following instructions have [Theming](#) enabled.

Download an entry

1. When you find an entry you want to download, click on its thumbnail.

Note: A pink arrow points from the video player thumbnail to the 'Published' status.

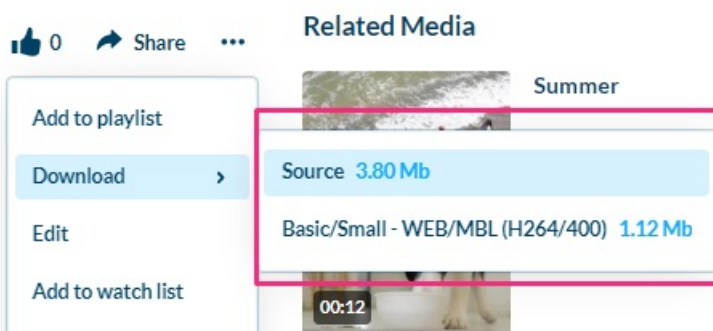

The edit media page displays.

2. Click the **three dots menu** under the player and select **Download**.

3. Choose the flavor to download.

The entry downloads to your device.

💡 Additional download options can be enabled by the KMC administrator on the media player. To learn more, please refer to our article [Download](#).
