

Add attachments to media in Moodle (legacy)

Last Modified on 05/05/2026 11:39 am IDT

 This article is designated for all users.

About

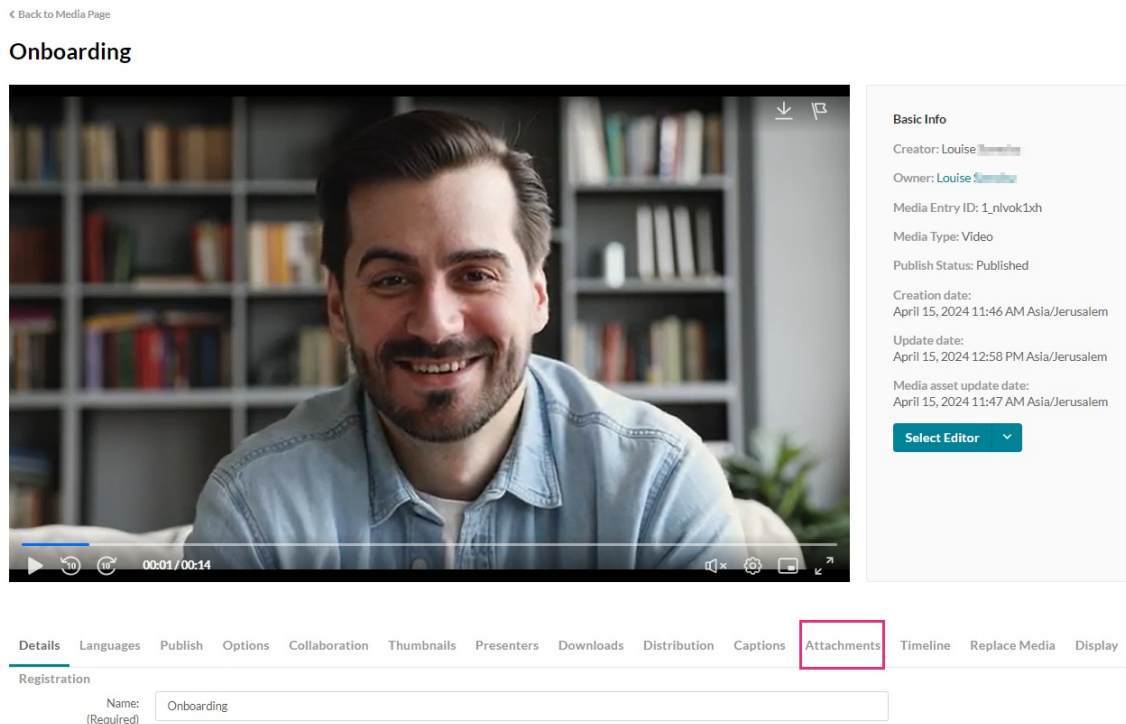

Attach files to your media effortlessly, allowing viewers to download them before, during, or after watching the content.

 This feature requires the [Attachments module](#) to be enabled.

These instructions apply to the legacy **LMS Video** integration. If you're using LMS Video with Theming, please refer to the [LMS Rich Media Extensions category](#).

Upload attachments

1. Access the [edit media page](#).

The screenshot shows the Kaltura media edit interface. At the top left, there is a link to "Back to Media Page". The main heading is "Onboarding". Below this is a video player showing a man smiling in front of a bookshelf. To the right of the video player is a "Basic Info" panel with the following details: Creator: Louise, Owner: Louise, Media Entry ID: 1_nlvok1bh, Media Type: Video, Publish Status: Published, Creation date: April 15, 2024 11:46 AM Asia/Jerusalem, Update date: April 15, 2024 12:58 PM Asia/Jerusalem, and Media asset update date: April 15, 2024 11:47 AM Asia/Jerusalem. Below the video player is a navigation bar with tabs: Details, Languages, Publish, Options, Collaboration, Thumbnails, Presenters, Downloads, Distribution, Captions, Attachments (highlighted with a red box), Timeline, Replace Media, and Display. Below the navigation bar is a "Registration" section with a "Name: (Required)" field containing the text "Onboarding".

2. Click the **Attachments** tab.
3. Click **Upload File**.

The **Upload Attachment** window displays.

Upload Attachment

Select File

Title:
Provide end-users with a more descriptive title for this file (optional)

Description:
Provide end-users with a brief description of this files content (optional)

Cancel
Save

4. Click **Select File**.

5. Select the file you want to upload as an attachment and click **Open**.

Once the file has uploaded, a success message displays: *Upload Completed*.

6. Type in a title and a description for the attachment (optional).

7. Click **Save**.

A success message displays: *The information was saved successfully*.

The file is saved as an attachment to your media file. Information about the attachment appears in a table.

Upload File

File Name	Title	Description	Size	Uploaded At	Actions
notes.pptx	Notes about on-boarding	Best practices and tips for the on-boarding process	798.20 Kb	Apr 25, 2024	

To upload another attachment, repeat steps 3-7 above.

Actions

You can use the options in the **Actions** column to perform various actions.

File Name	Title	Description	Size	Uploaded At	Actions
notes.pptx	Notes about on-boarding	Best practices and tips for the on-boarding process	798.20 Kb	Apr 25, 2024	<div style="border: 2px solid #f00; padding: 2px; display: inline-block;"> </div>

Edit the title or description of the attachment

1. Click the pencil icon.
The Change File window displays.
2. Modify the title and description as desired.

Change File

Title:
Provide end-users with a more descriptive title for this file (optional)

Description:
Provide end-users with a brief description of this files content (optional)

Cancel Save

3. Click **Save**.

Delete the attachment

1. Click the **X**.
A confirmation window opens.
2. Click **Delete**.

Download the attachment

Click the download icon.

The file downloads to your computer.

User experience

To see the attachment(s) you added, click **Back to Media page**.

◀ Back to Media Page

Onboarding

Below the media details, the attachment displays along with a download icon, enabling viewers to easily download the attachment.

Onboarding
