

Edit a playlist in Moodle

Last Modified on 06/14/2025 7:56 pm IDT

 This article is designated for faculty members.

About

This article describes how to edit playlists. After you have created a playlist, you can modify the playlist's details, content, and order from the edit playlist page.

These instructions are for non-Theming users. For [Theming](#) users, please see our article 'Edit a playlist - Theming'.

Access the edit playlist page

1. Access the Media Gallery.

Media Gallery

Start Meeting

Edit

1. Click the **pencil icon** next to the playlist you want to modify.

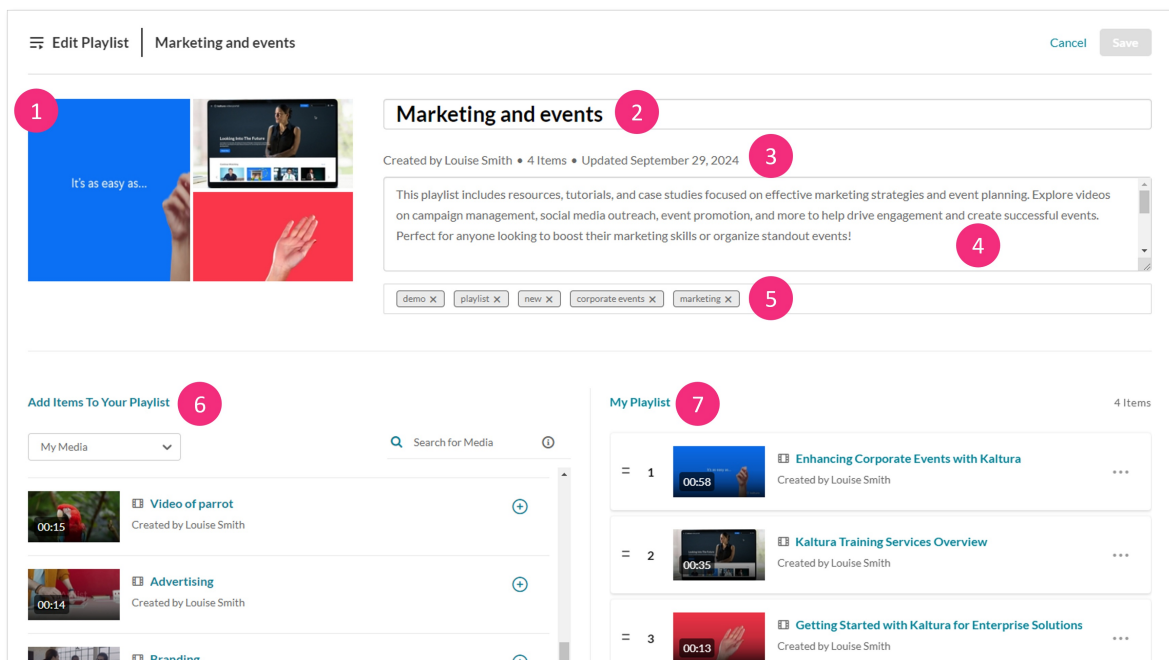

The **Edit Playlist** page displays.

The screenshot shows the 'Edit Playlist' interface for a playlist named 'Trainers' Playlist'. At the top, there's a header with 'Edit Playlist' and 'Trainers' Playlist' on the left, and 'Cancel' and 'Save' buttons on the right. Below the header, there's a section for the playlist details. On the left, there are two video thumbnails. To the right, the playlist name 'Trainers' Playlist' is in a box. Below it, it says 'Created by Channel playlist • 5 Items • Updated September 29, 2024'. A description box follows: 'This channel playlist includes a collection of training videos, best practices, and instructional content designed for trainers and facilitators. Explore modules on presentation techniques, engagement strategies, and session planning to enhance your training sessions. Perfect for new and experienced trainers looking to refine their skills and stay up-to-date with the latest methods.' Below the description are tags: 'train', 'best practices', 'skills', 'methods', and an 'Add tags' button. At the bottom, there's a section 'Add Items To Your Playlist' with a search bar and a list of media items. On the right, there's a 'Playlist' section showing a list of 5 items, including 'Branding' and 'Digital learning'.

2. Edit your playlist details as desired.

The following features are available on the edit playlist page:

The screenshot shows the 'Edit Playlist' interface for a playlist named 'Marketing and events'. It features numbered callouts (1-7) highlighting specific features: (1) Media thumbnails, (2) Playlist name field, (3) Creator, number of items, and update date, (4) Description field with a scroll bar, (5) Tags with delete buttons, (6) 'Add Items To Your Playlist' section, and (7) 'My Playlist' section showing a list of 4 items: 'Enhancing Corporate Events with Kaltura', 'Kaltura Training Services Overview', and 'Getting Started with Kaltura for Enterprise Solutions'.

- Media thumbnails (1)
- Playlist name (2) - Click in the field to edit the name.
- Creator, number of items in the playlist, and when it was last updated (3)
- Description (4) - Click in the description field to edit the text. Use the scroll bar on the right if there's a lot of text.
- Tags (5) - Click on the 'x' to the right of the tag name to delete it. Click in the tag

field to type in new tags.

- 'Add items to your playlist' column (**6**) - Add media to your playlist. See [Create a playlist](#) for further information.
- 'My Playlist' column (**7**) - This section displays all items currently in the playlist. You can remove items or change their order as needed. For more details, see our article 'Create a playlist'.

3. After you have finished editing the playlist, click **Save** at the top right.

Delete

1. Click the **trash icon** next to the relevant playlist to delete it.

A confirmation message displays: *Are you sure you want to delete the playlist [name]?*

Delete Playlist

Are you sure you want to delete the playlist *My Playlist*?

Cancel
Delete

2. Click **Delete**.

Share and embed

1. Click the **embed icon** next to the relevant playlist to share and embed it.
The **Share & Embed** window displays.
