

# Global search in Moodle - Theming

Last Modified on 06/14/2025 8:04 pm IDT

 This article is designated for all users.

## About

Easily find what you're looking for with accurate results, and refine your search using intuitive filters. The global search function is designed to help you explore content efficiently and uncover relevant information.

The global search page is set up by your administrator through the [Search module](#) and the **globalsearch** feature in the [Theming](#) module.

## Perform a search

1. Access the My Media page.
