This article provides information on the Kaltura Media Search in KAF applications. For Administrative information on the search in KAF applications see the [Kaltura Search Module - Administrator's Guide](https://knowledge.kaltura.com/help/kaltura-search-module---administrators-guide) (<https://knowledge.kaltura.com/help/kaltura-search-module---administrators-guide>) article.

Media Search

You can use the Kaltura Media Search in many of the KAF pages using the magnifying glass.

The search magnifying glass icon is available in the following pages:

- My Media
- Media Gallery page
- Browse Search & Embed page

For each page: When searching, the media view is replaced with the search results when a keyword is entered and the display page capabilities remain the same. For example, the Approve and Reject buttons in the Pending tab are displayed for the returned results.

The screenshot displays the Kaltura Media Search interface. At the top, there are two tabs: '129 Media' and '11 Pending'. Below the tabs is a search bar with the text 'browser sound' and a magnifying glass icon. To the right of the search bar is a close button (X). Below the search bar, there are filters: 'Filters >', 'Search In: All Fields', and 'Sort By: Relevance'. Below these filters, there are two buttons: 'Approve' and 'Reject'. Below the buttons, there are two search results. The first result is a video titled 'New video technology that reveals an object's hidden properties | Abe Davis'. The video thumbnail shows a man on a stage. The title is 'New video technology that reveals an object's hidden properties | Abe Davis'. The description is 'Subtle motion happens around us all the time, including tiny vibrations caused by sound.' Below the description, it says 'Keyword found in: 2 Tags | 44 Captions'. To the right of the description are two buttons: 'Approve' and 'Reject'. Below the buttons is a link 'Show More'. The second result is a video titled 'How the mysterious dark net is going mainstream | Jamie Bartlett'. The video thumbnail shows a man on a stage.
