3D Object Entry User Guide

Last Modified on 04/19/2022 4:26 pm IDT

This guide provides instructions on adding a new 3D Object as a media entry, editing that 3D object, and sharing the 3D object using the embed code.

Section 1 Add New 3D Object as Media Entry

Section 2 Edit the Entry

Section 3 Edit the 3D Object

Section 4 View and Share the 3D Object
