Manage a media gallery in Sakai (legacy)

Content updated: 02/01/2022

This article is designated for faculty members.

About

The Media Gallery is a centralized space within your course where you can organize and share multimedia content, such as video lectures, tutorials, or recorded sessions.

This article walks you through the steps for adding content to your Media Gallery, either by selecting existing media or uploading new content.

If you can’t do some of the actions described here, just reach out to your KAF administrator to get the right permissions.

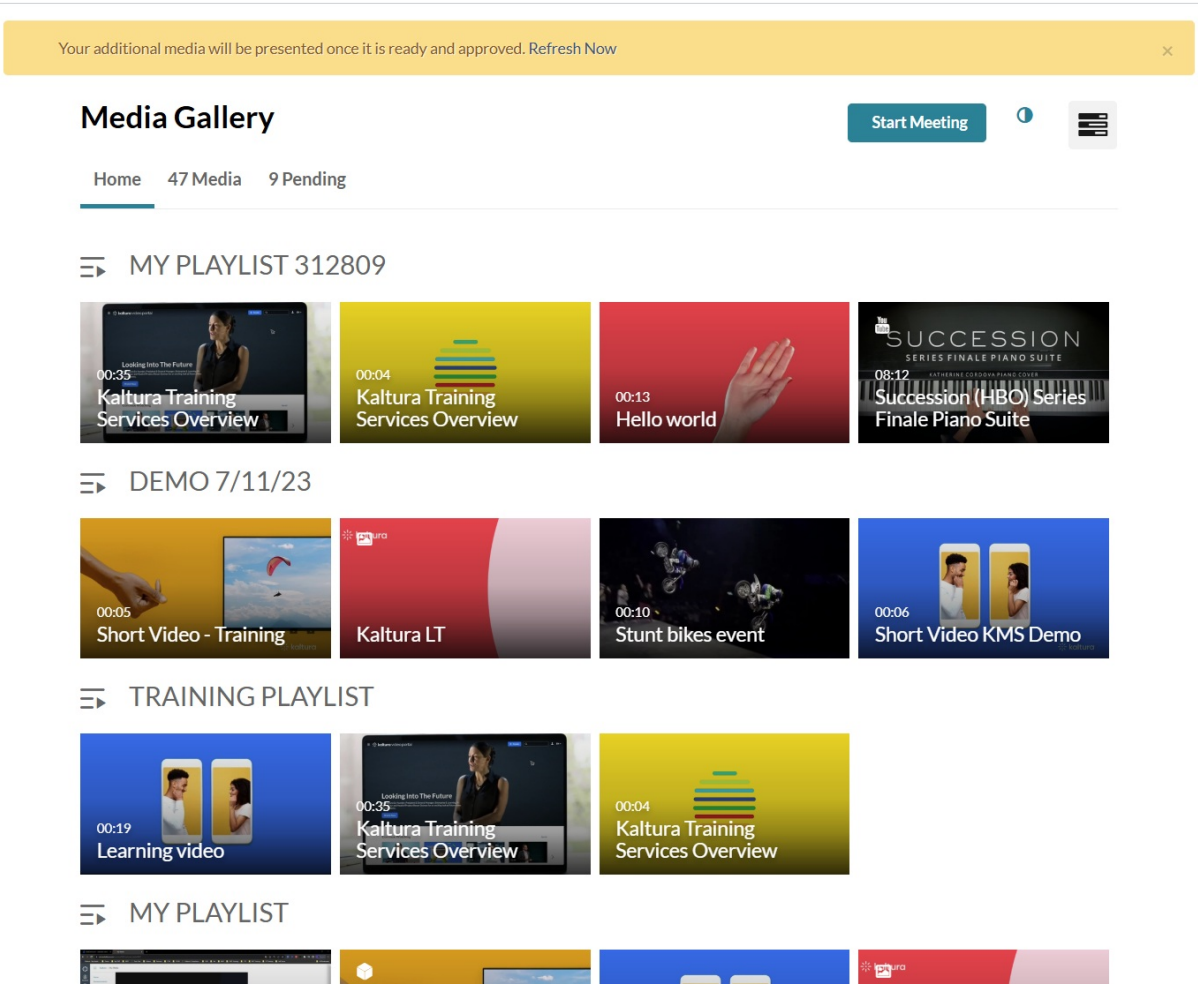

These instructions apply to the legacy **LMS Video** integration. If you’re using LMS Video with Theming, please refer to the LMS Rich Media Extensions category.

Access the Media Gallery

Access your course, then click on **Media Gallery**.

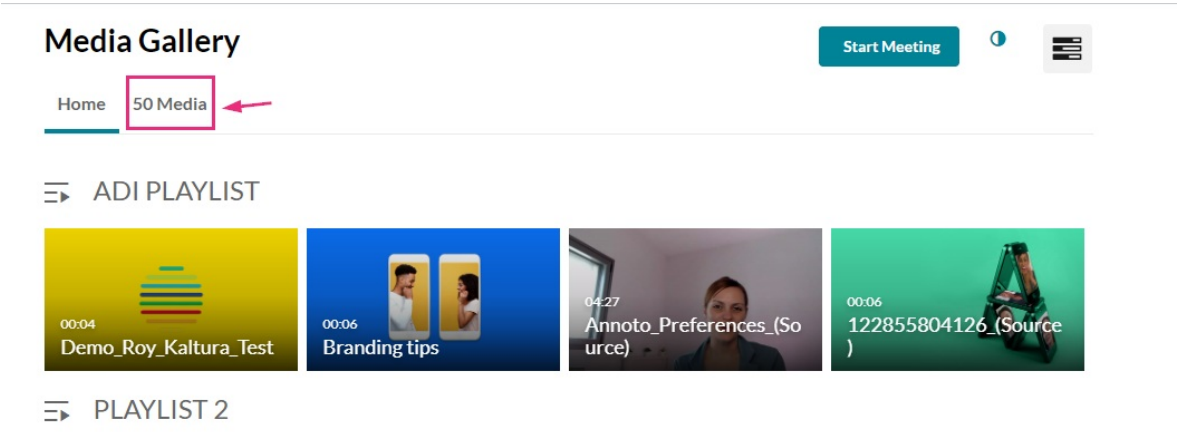

The Media Gallery displays with the **Home** tab open by default.

You can also choose from other options in the **Add New** menu, such as:

- Express Capture
- YouTube
- Interactive Video Paths
- Kaltura Capture
- Meeting Room
- Draft Entry
- Video Quiz
- Webcast Event (Townhalls)

Depending on what is enabled on your application, your **Add New menu** may look slightly different. If there is an option missing, please contact your Kaltura administrator to discuss how to enable it.
