

## 3D Object Entry - Edit the Entry

Last Modified on 04/19/2022 4:24 pm IDT

Navigate to the Edit Media Page. If you are currently in the 3D Editor, you may click the **Back to entry edit page**.

The screenshot shows the 'Edit Media Page' for a 3D object entry. At the top, there is a navigation bar with a search icon, 'ADD NEW', and a user profile icon. Below this, a breadcrumb link '< Back to Media Page' is visible. The main heading is 'DEMO JBL BoomBox'. A large image of the JBL BoomBox speaker is displayed on the left. To the right of the image is a 'Basic Info' panel containing the following details: Creator (represented by a color swatch), Owner (represented by a color swatch), Media Entry ID (represented by a color swatch), Media Type: 3D Object, Publish Status: Private, Creation date: February 1st, 2022 11:21 AM US/Central, and Update date: February 1st, 2022 11:27 AM US/Central. A blue '3D Editor' button is located at the bottom of this panel. Below the image and info panel is a horizontal menu with tabs: 'Details' (selected), 'Publish', 'Options', 'Collaboration', 'Thumbnails', and 'Access Control'. The 'Details' tab is active, showing a form with the following fields: 'Name: (Required)' with the value 'DEMO JBL BoomBox'; 'Description:' with a rich text editor toolbar (Black, Bold, Italic, Underline, bulleted list, numbered list, link, unlink, image) and a text area containing 'Enter Description...'; 'Tags:' with an empty input field; 'Period:' with a dropdown menu showing 'Select a value'; and 'Publishing Schedule:' with radio buttons for 'Always' (selected) and 'Specific Time Frame', with a subtext '(The time range in which this media will be visible to users in published channels/categories)'. At the bottom of the form are three buttons: 'Save' (blue), 'Go To Media' (grey), and 'Delete Entry' (red).

See [Manage Media - Edit Entries](#) for information on editing entries.
