

## 3D Object Entry - Edit the 3D Object

Last Modified on 04/19/2022 4:25 pm IDT

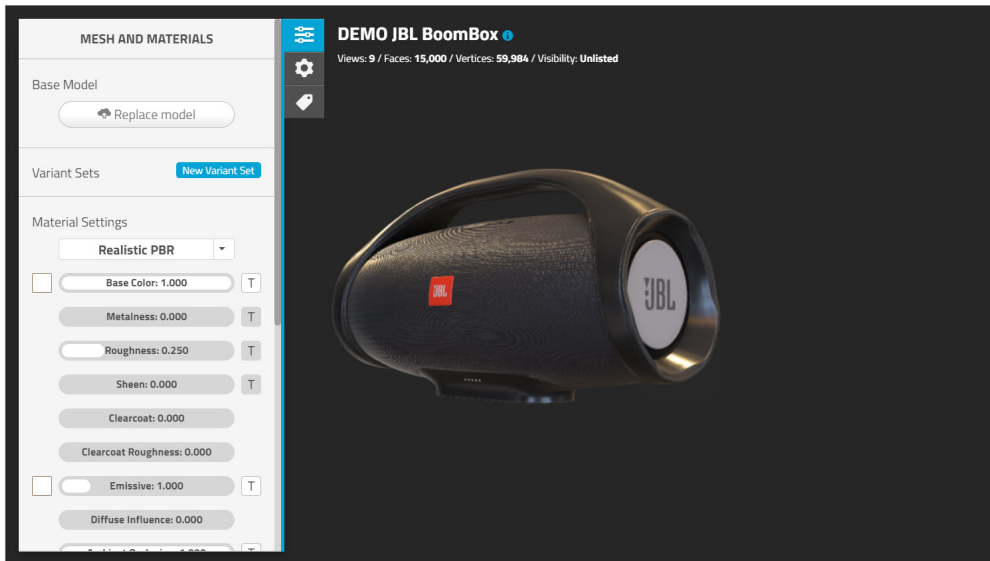

If you would like to make additional changes to the object, navigate to the Edit Media Page for the object, then click the **3D Editor** button.

The screenshot shows the 'Edit Media' page for a 3D object. At the top, there is a navigation bar with a search icon, 'ADD NEW', and a user profile icon. Below this is a breadcrumb link: '< Back to Media Page'. The main title is 'DEMO JBL BoomBox'. A large image of the JBL BoomBox speaker is displayed on the left. To the right of the image is a 'Basic Info' panel containing the following details: Creator (with a color-coded bar), Owner (with a color-coded bar), Media Entry ID (with a color-coded bar), Media Type: 3D Object, Publish Status: Private, Creation date: February 1st, 2022 11:21 AM US/Central, and Update date: February 1st, 2022 11:27 AM US/Central. A blue '3D Editor' button is located at the bottom of this panel. Below the image and panel is a horizontal menu with tabs: 'Details' (selected), 'Publish', 'Options', 'Collaboration', 'Thumbnails', and 'Access Control'. The 'Details' tab is active, showing a form with the following fields: 'Name: (Required)' with the value 'DEMO JBL BoomBox'; 'Description:' with a rich text editor toolbar (Black, Bold, Italic, Underline, bulleted list, numbered list, link, unlink, image) and a text area containing 'Enter Description...'; 'Tags:' with an empty text box; 'Period:' with a dropdown menu showing 'Select a value'; and 'Publishing Schedule:' with radio buttons for 'Always' (selected) and 'Specific Time Frame', with a sub-note '(The time range in which this media will be visible to users in published channels/categories)'. At the bottom of the form are three buttons: 'Save' (blue), 'Go To Media' (grey), and 'Delete Entry' (red).

The 3D Editor displays.

### 3D Editor for: "DEMO JBL BoomBox"
