Blackboard Ultra Integration Via LTI Release Notes - May 17, 2022

Date Released: May 17, 2022

KAF version: 5.107.63x

Overview

These release notes pertain to the Kaltura Video App integration with Blackboard Ultra via LTI, released on May 17, 2022.

This is a part of the Kaltura Application Framework (KAF) release of version 5.107.63x.

What's New

This version introduces the following new items:

- **DisplayCourse module** - a new KAF module will allow you to change your course list display format in the Media Galleries section inside My Media. There are several course list display options: a list of course names, a list of course IDs, and a list of course names with IDs in brackets. The default will be a list of course names.
