 This article is designated for all users.

About

Amberscript makes audio accessible. Their services allow you to create text and subtitles from audio or video, either automatically and perfected by you or made by our language experts and professional subtitlers. Simply upload your file and start. Kaltura, through our Reach framework, automates Amberscript's captioning and translation services within the platform itself.

Following are the Amberscript services that you may order within Kaltura.

Human Caption Language	English, Dutch, German, Swedish, Norwegian, Danish, Finnish, Spanish, French, Portuguese, Italian
Human Translation	English, Italian, Portuguese, French, Spanish, Finnish, Danish, Norwegian, Swedish, German, Dutch,
Machine Caption Language	English, Dutch, German, Swedish, Norwegian, Danish, Finnish, Spanish, French, Portuguese, Italian, Catalan
Turn-around Times*	24 hours, 48 hours, or four days

*Turn-around times depend on the language selected.
