About

This article lists the browsers and platforms supported by the Kaltura Player for **HLS** and **DASH** playback.

Compatibility is based on the **last three major versions** of each browser unless otherwise noted.

- **Yes** = supported
- **No** = not supported
- **-** = not applicable for that browser or platform

Desktop Web - HLS

Browser	Windows	Mac	Linux	Android	iOS >= 13	DRM	Other
