

## 3Play Media

Last Modified on 01/24/2024 6:17 pm IST

3Play Media provides closed captioning, transcription, and audio description services to make video accessibility easy. Simply upload your file and start. Kaltura, through our Reach framework, automates 3Play Media's captioning services within the platform itself.

Following are the 3Play Media services that you can order within Kaltura.

Type	Feature	Language	Turn-around Times*
Human	Human Caption Language (*Not all languages are available for each TaT. See REACH catalog for specifics.)	English, Spanish	2 Hours, 8 Hours, 24 Hours, 48 Hours, 4 Days
Human	Audio Description	English	24 Hours, 48 Hours, 5 Days
Human	Advanced Audio Description (*Supported ONLY in V7 player.)	English	24 Hours, 48 Hours, 5 Days

\*Turn-around times depend on the language selected.

Please see the following articles for information on configuring and working with REACH.
