About

The Media Gallery is a library of videos for a particular course that is visible to all instructors and students within the course. Users can contribute new media items to the Media Gallery or add media items from [My Media](#), another Media Gallery or [Shared Repository](#) based on the user's entitlements.

 The instructions below are for non-Theming users. If you have [Theming](#) enabled, please refer to our article [Media Gallery in KAF - Theming](#).

Access the Media Gallery

Access your course, then on the left menu bar, click on **Media Gallery**.

 The Media Gallery link is typically located on the course navigation panel, as seen in our example. However, depending on your account setup, you might access the Media Gallery differently. See your Kaltura Administrator for further information.

The Media Gallery displays.

Your additional media will be presented once it is ready and approved. Refresh Now x
