 This article is designated for all users.

Overview

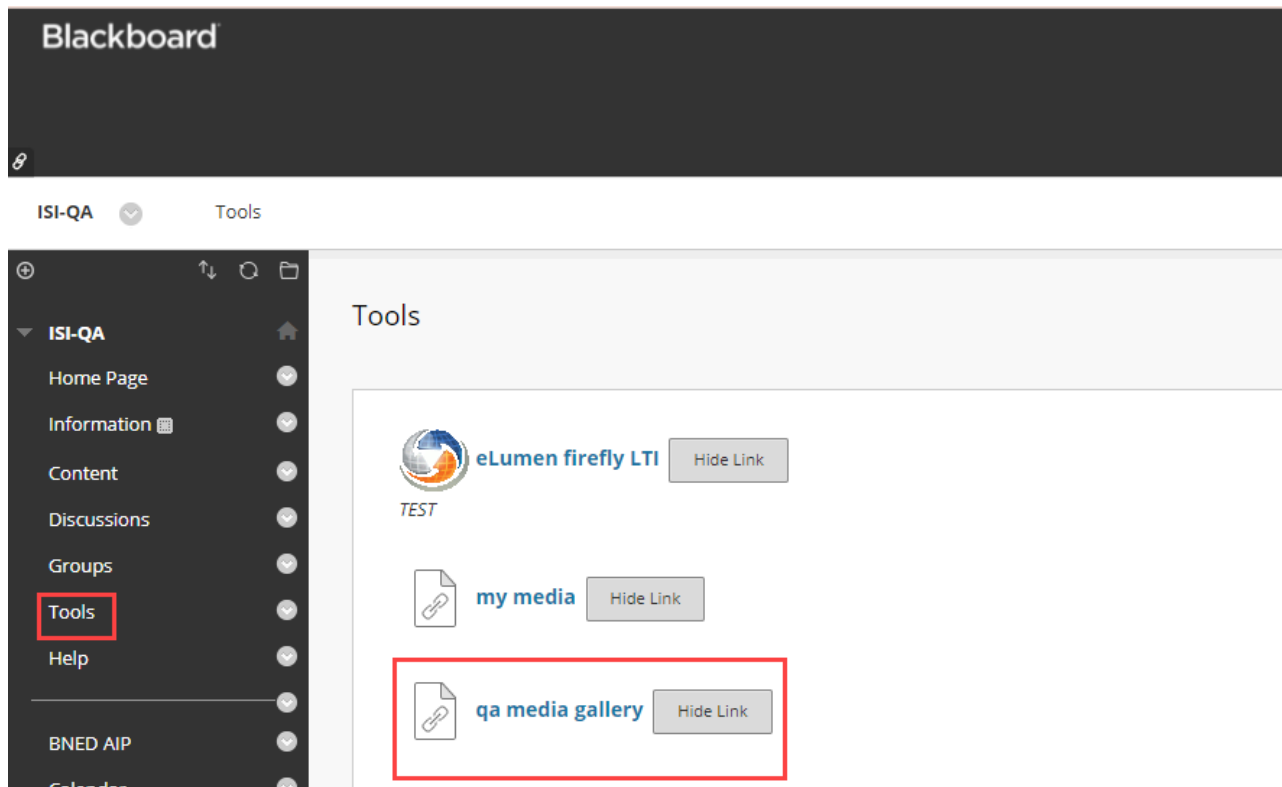

The Media Gallery is a repository of videos for a particular course that is visible to all instructors and students within the course.

Users may contribute new media items to the Media Gallery or add media items (publish) from [My Media](#)/other Media Gallery/[Shared Repository](#) based on the user's entitlements.

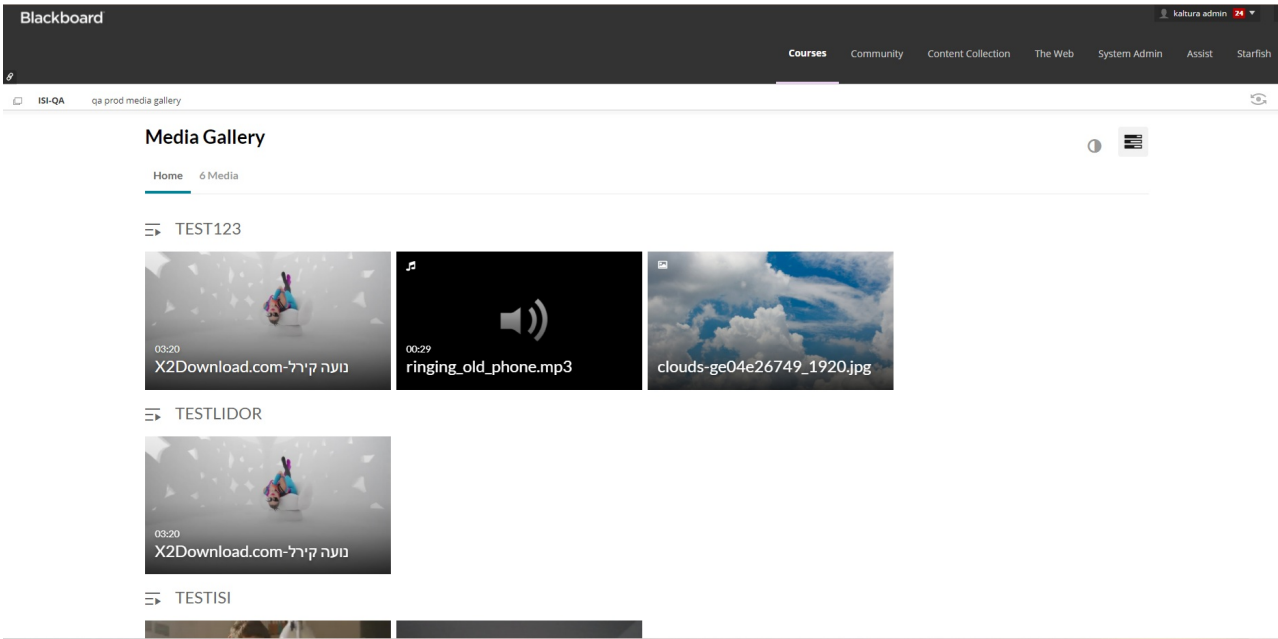

This article describes how to work in the Media Gallery in Blackboard Learn.

Access the Media Gallery

On the left menu bar, select Tools, then click on the Media Gallery.

The Media Gallery displays showing all the items published in this course.

Home Tab

The Home tab is displayed as the first tab when playlists are available in the Media Gallery. Media Gallery Managers can create playlists to curate, organize, and categorize displayed featured content in their course. To learn more, see [Create and Add Media to a Playlist](#) and [Manage Playlists](#).
