

# People tab > All users - User analytics

Last Modified on 09/09/2024 3:24 pm IDT

 This article is designated for all users.

## About

This article describes how to view analytics on your users.

## View analytics on your users

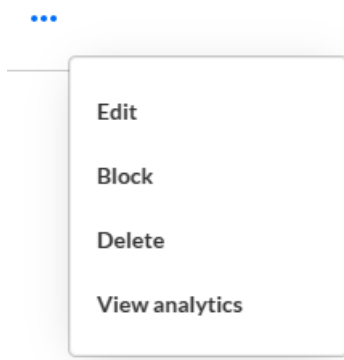

1. Navigate to the Users page; from the site page, click the People tab > All users. The All users page displays.

The screenshot shows the 'All users' interface. At the top right, there are links for 'Visit webinar site', 'Launch room', and 'EPDEV Sandbox'. The main content area has a search bar, a dropdown for 'All roles', and a count of '2 Users'. An 'Invite' button is located in the top right corner of the table area. The table lists two users:

Name	Email	Webinar role	Registration Type	Status	Creation date
John Davis	je...	Moderator, Speaker	Invitation	Invited	01/26/23
Sam Jones	je...	Speaker	Invitation	Invited	12/19/23

2. Click the three blue dots to the right of the creation date and choose View analytics.

The context menu shows the following options:

- Edit
- Block
- Delete
- View analytics

The first portion of the page provides information on player impressions, plays, minutes viewed, average completion rate. The second portion provides information on top location and most used devices. The third portion focuses on Last Played Entries.
