

Kaltura Events Interface Overview

Last Modified on 01/05/2026 11:14 pm IST

 This article is designated for all users.

About

This article provides an overview of the Kaltura Events interface and helps you get oriented once you log in.

Kaltura Events Home page

On the Kaltura Events home page, key event management features are organized into four main tabs -**Home**, **Team**, **Analytics**, and **Integrations** - each providing specific tools for managing, monitoring, and connecting your events.

1

Home tab

The [Home tab](#) is the main dashboard of Kaltura Events. This tab displays all events in a Kaltura Events account and lets authorized users quickly view, search, filter, and navigate to event details, recently viewed events, weekly session views, and the customizable showcase page.

Team tab

Use the [Team tab](#) to add, edit, and delete team members and assign them roles and event responsibilities within Kaltura Events.

Analytics tab

The [Analytics tab](#) provides account owners/admins with a comprehensive dashboard to view and export engagement metrics and insights across events, such as player impressions, plays, unique viewers, minutes viewed, top videos, and other analytics with filtering, sorting, comparison, and reporting options

Integrations tab

The [Integrations tab](#) allows account owners/admins to add, view, and manage third-party integrations (like CRM or marketing systems) that connect with Kaltura Events.
