About

Uploading media from your desktop is simple and straightforward. Just follow the steps below to easily share your videos, audio files, and images.

: The instructions below are for non-Theming users. If you have Theming enabled, please refer to our article Upload media in KAF - Theming.

Upload media

 On your My Media page, click the Add New button to the right and select Media Upload.

: Depending on what is enabled on your application, your Add New menu may look slightly different. If there is an option missing, please contact your Kaltura administrator to discuss how to enable it.
