

Logging in

Last Modified on 03/24/2025 3:03 pm IST

 This article is designated for all users.

About

After you are added as a user to a Kaltura Events account, you may use your appropriate credentials to login to Kaltura Events. This article will walk you through logging in via the application or Single sign-on (SSO).

Application log in

1. Access the Kaltura Events URL. The Login screen displays.

Welcome!

Email

Password

Kaltura wants to keep you in the know and involve you in our product roadmap! You may see a notification like this upon login, sharing information like a new feature or update, or asking for your vital input on a topic.

×

Your insights matter.

Help shape Kaltura's Ai+ roadmap in our hackathon!

Shape the Agentic AI Future

What if your biggest business challenge could inspire our next breakthrough? Kaltura's Agentic AI Hackathon will dedicate hundreds of developers to explore innovations guided by your insights - and we want your vision to lead the way.

Simply share your biggest challenges that autonomous AI might solve through a quick form submission. No further participation required—just your valuable perspective.

Once closed, you can always reach these notifications again via the present icon located in the upper right corner of your screen.

Single sign-on (SSO) login

Note: Authentication through your IdP is required before you may access Kaltura Events. If you haven't authenticated before beginning the process of logging into Kaltura Events, you will be asked to do so. Steps to complete the authentication may include entering a username and password, sending a "push" notification to obtain an authentication code, etc.

The information you are asked to provide during the login process depends on how your account is configured. See the following administrative articles regarding account configuration using Auth Broker:

[Create and manage SAML profiles](#)

[Subscribe KMC and Event accounts to Auth Broker profiles](#)

[Auth Broker](#)

1. Access the Kaltura Events URL. The Login screen displays.

Welcome!

Email

Password

[Forgot your password?](#)

[Log in](#)

[Login SSO](#)

2. Click **Login SSO**. The Single sign-on (SSO) login screen displays.

Single sign-on

Email

Organization ID (Optional)

Continue

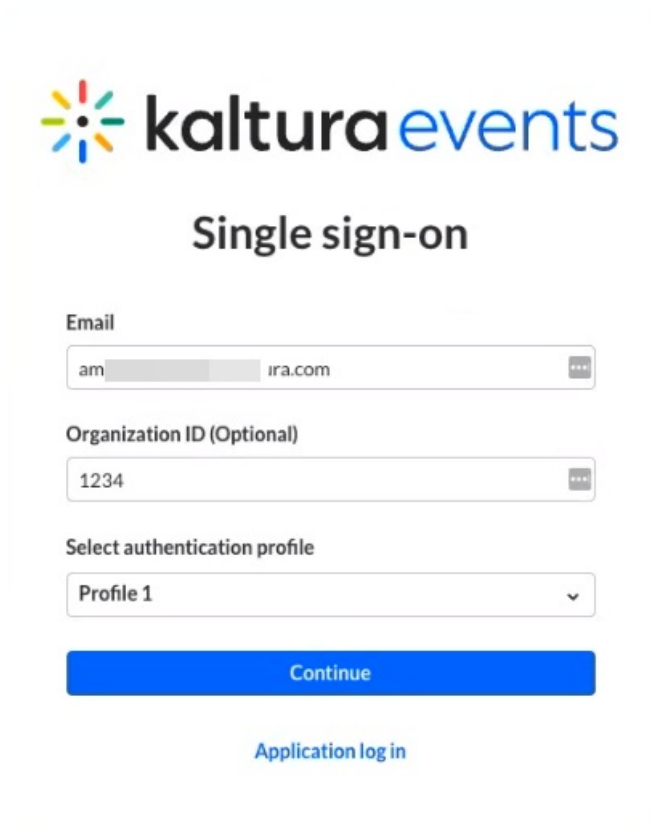

[Application log in](#)

3. Type your work email in the Email field.
4. If you have been provided an Organization ID for login, type it in the Organization ID (Optional) field.

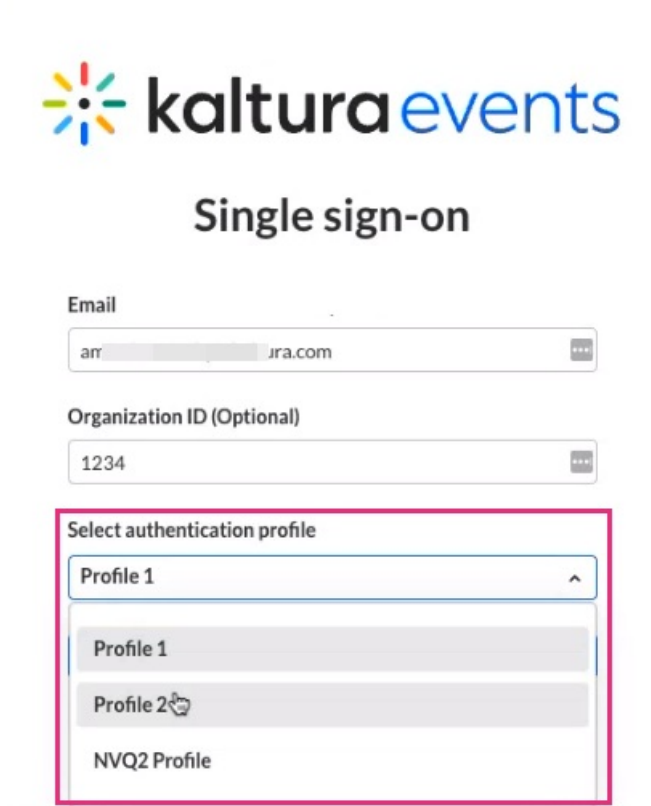

Organization ID is only optional if your company does not require one for login. If you do not enter an Organization ID when your company requires one for login, you will be prompted to enter an Organization ID before proceeding with the login process.

5. Click **Continue**. If multiple authentication profiles exist on this account, the login screen expands to display an additional field called Select authentication profile.

6. Select your authentication profile from the pull-down menu.

7. Click **Continue**. The Kaltura Events Home page displays with the Home tab open by default.
