2. Type your email address in the Email field and your password in the Password field.
3. Click **Log In**. The Kaltura Events Home page displays with the Home tab open by default.

The screenshot shows the Kaltura user interface. On the left is a navigation sidebar with links for Home, Team, Analytics, and Integrations. The main content area is titled 'Good morning, Patrick' and features a 'Recently viewed' section with five event thumbnails. Below this is an 'Events & Webinars' section with a search bar, filters for 'All events & webinars' and 'All Labels', and a 'Showcase' button. The events are listed in a table with columns for Date, Name, Labels, Showcase, Type, and Registration.

Single sign-on (SSO) login

⚠ Note: Authentication through your IdP is required before you may access Kaltura Events. If you haven't authenticated before beginning the process of logging into Kaltura Events, you will be asked to do so. Steps to complete the authentication may include entering a username and password, sending a "push" notification to obtain an authentication code, etc.

💡 The information you are asked to provide during the login process depends on how your account is configured. See the following administrative articles regarding account configuration using Auth Broker:

3. Type your work email in the Email field.
4. If you have been provided an Organization ID for login, type it in the Organization ID (Optional) field.

 Organization ID is only optional if your company does not require one for login. If you do not enter an Organization ID when your company requires one for login, you will be prompted to enter an Organization ID before proceeding with the login process.

5. Click **Continue**. If multiple authentication profiles exist on this account, the login screen expands to display an additional field called Select authentication profile.

6. Select your authentication profile from the pull-down menu.

7. Click **Continue**. The Kaltura Events Home page displays with the Home tab open by default.
