## Single sign-on (SSO) login

Note: Authentication through your IdP is required before you may access Kaltura experiences. If you haven't authenticated before beginning the process of logging into Kaltura experiences, you will be asked to do so. Steps to complete the authentication may include entering a username and password, sending a "push" notification to obtain an authentication code, etc.

The information you are asked to provide during the login process depends on how your account is configured. See the following administrative articles regarding account configuration using Auth Broker:

7. Click **Continue**. The Kaltura Events Home page displays with the Home tab open by default.

The screenshot shows the Kaltura Events Home page. At the top, there is a navigation bar with the Kaltura logo, a '+ Create' button, and a user profile for Patrick Lorimer. A left sidebar contains navigation options: Home (selected), Team, Analytics, and Integrations. The main content area features a personalized greeting 'Good morning, Patrick' and a 'Recently viewed' section with six event cards: Kaltura Academy, Training day, Virtual Summit 2025, Product palooza, SKO 2023, and Virtually Live!. Below this is an 'Events & Webinars' section with a search bar, filters for 'Current' and 'All labels', and a table of 4 results. The table lists events with their dates, names, creators, labels, showcase status, types, and registration counts.
