 This article is designated for all users.

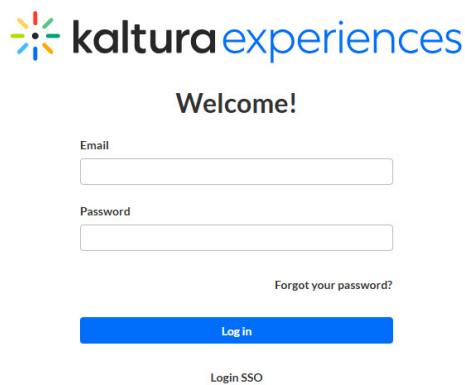

## About

This article will walk you through logging into Kaltura Webinars.

## Logging in

After you are added as a user to a Kaltura experiences account, you may use your appropriate credentials to login.

1. Access the Kaltura experiences URL. The Login screen displays.

2. Type your email address in the Email field and your password in the Password field.
3. Click **Log In**. The Webinars Home page displays with the Home tab open by default.
