My Channels

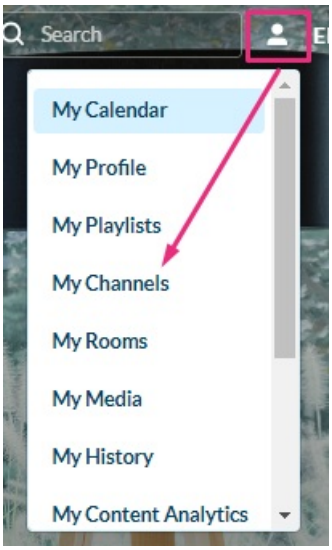
This article is designated for all users.

My Channels is a personalized library within Kaltura's Video Portal (also known as 'MediaSpace') designed to store, view, and share channels. Your My Channels library can contain the following:

- **Channels you're a member of** (Learn more about Kaltura Video Portal roles and permissions in our article Understanding channel roles and permissions.)
- **Channels you're subscribed to** (Learn more about channel subscriptions in our article Channel subscriptions.)
- **Shared repositories you're a member of** (Learn more about shared repositories in our article Shared Repositories in Video Portal.)

Access My Channels

To access the **My Channels** page in your video portal, select **My Channels** from the user drop-down menu .



If you don't have this option in your user menu, ask your administrator to give you access to it.

The **My Channels** page displays.

Each channel thumbnail has information related to the channel.

- Channel status (**1**) - The status is indicated by the icon at the top left of the thumbnail. To learn more about status icons, visit our article Media symbols and channel status icons.
- Channel name (**2**)
- Number of media items in the channel (**3**)
- Number of people subscribed to the channel (**4**)
- Number of channel members (**5**)

Search in My Channels

You can search for a particular channel by typing a keyword into the search field and then pressing enter on your keyboard.
