## About

You can easily disable comments and close a discussion on your media. Follow these steps to manage your media's interaction settings.
## Access the Edit Media page

1. On the **My Media** page, click the pencil icon.

2. When the **Edit Media Page** opens, click the **Options** tab.

3. Check **Disable comments for this media**.

Comments:  ☑ Disable comments for this media
            ☐ Close discussion (do not allow new comments)

The **Comments** tab is now hidden on the media page. Comments that were entered before you disabled the comment feature will be shown if you re-enable comments.

⚠ Comments cannot be disabled/enabled for multiple channels at once.

4.  Check **Close discussion (do not allow new comments)**.
