

Raising and lowering hands

Last Modified on 06/02/2024 2:53 pm IDT

This article is designated for all users.

Have a question or something to say? Raise your hand your digital hand to let everyone know.

Raise your hand

To raise your hand, click the hand icon on the bottom toolbar.

Your digital hand is now raised. The icon changes to yellow and a notification displays for the host / moderators.

Your raised hand also displays in the Participants list next to your name and the Raised hands section. It will also display on your tile if you're on stage.

Lower your hand

To lower your hand, click the yellow hand icon on the bottom toolbar.

Host and moderators

Hosts and moderators have the ability to lower hands via the Participants list.

To lower **an individual's hand**:

Click the raised hand icon next to the participant's name.

To lower **all raised hands**:

1. Click the **3 dots menu** next to **All participants**.
2. Click **Clear raised hands**.
