

## Access a channel playlist

Last Modified on 01/27/2025 10:02 am IST

 This article is designated for all users.

### About

Accessing channel playlists unlocks a world of content curated to specific themes or topics. Whether you're into educational material, campaign highlights, or leaderboard updates, playlists are your go-to for easy navigation and engagement. Dive in to efficiently discover and enjoy videos that match your interests perfectly!

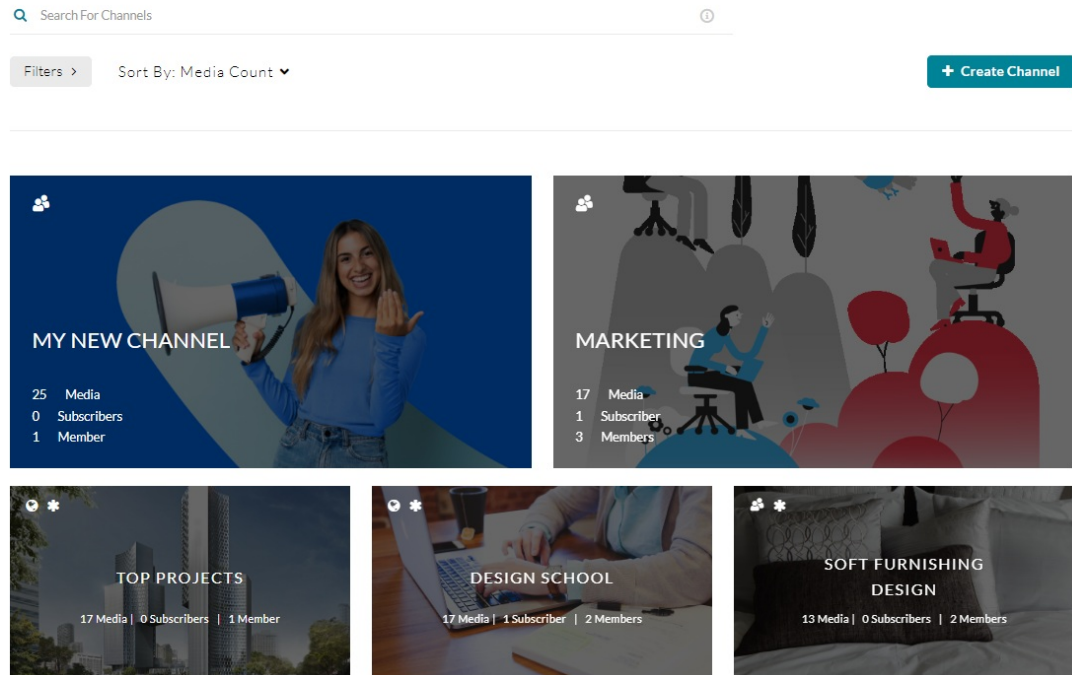

### Access the channel

1. Select **My Channels** from the user menu.

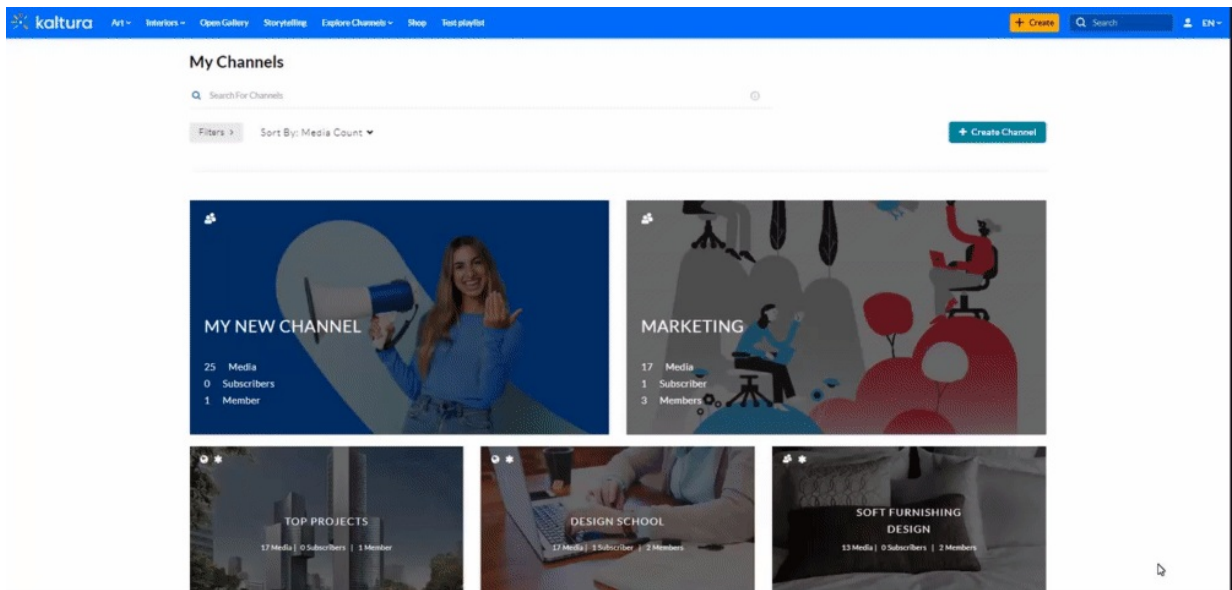

The **My Channels** page displays.

## My Channels

2. Click on a channel's thumbnail to open the channel.

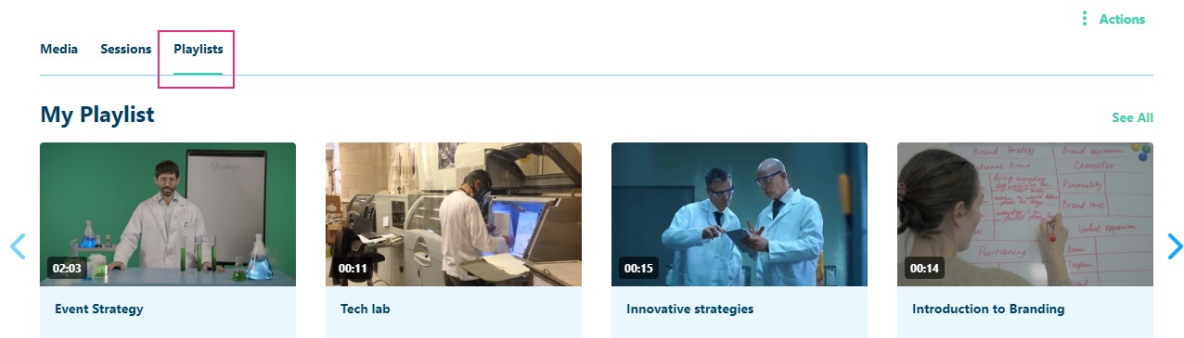

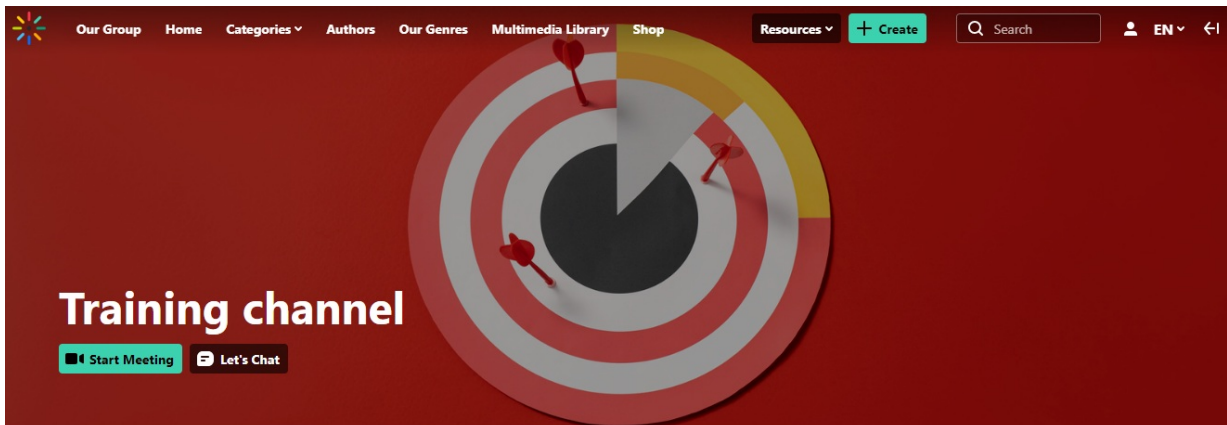

The channel displays.

## Access the playlists

Click the Playlists tab to display the playlists.

The Playlists tab is visible only if playlists are available in the channel.

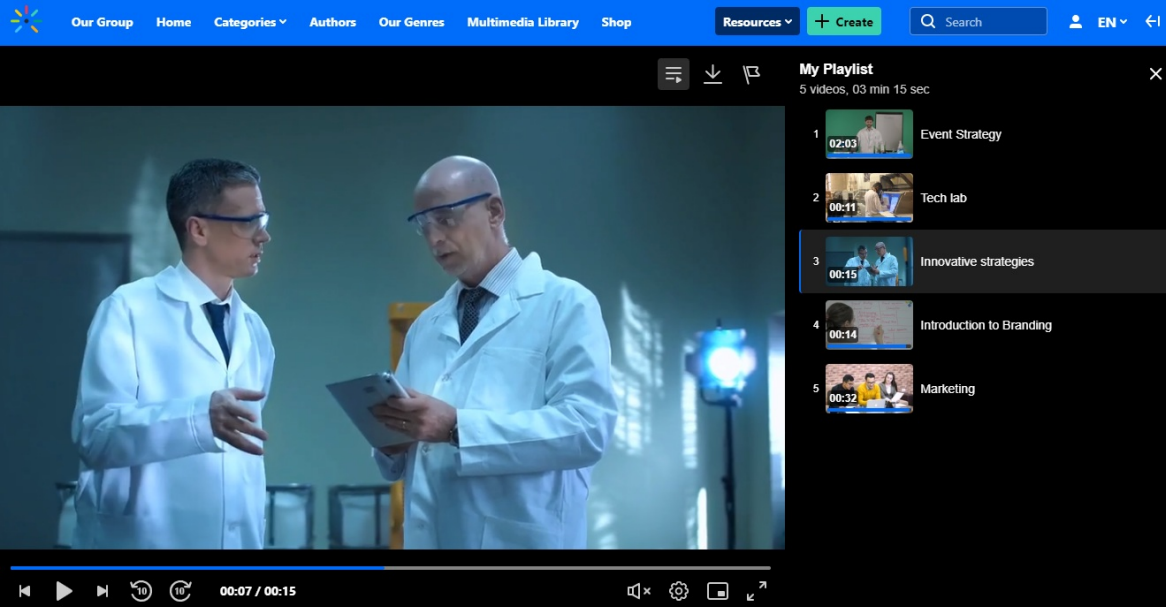

Playlists are displayed with a name, description (if configured), and accompanying media thumbnails to identify the content.

Click **See All** to see the entire playlist, or click on the thumbnail or the playlist name to watch.

Here's an example of what you see after clicking "See All".
