 This article is designated for all users.

About

Accessing channel playlists unlocks a world of content curated to specific themes or topics. Whether you're into educational material, campaign highlights, or leaderboard updates, playlists are your go-to for easy navigation and engagement.

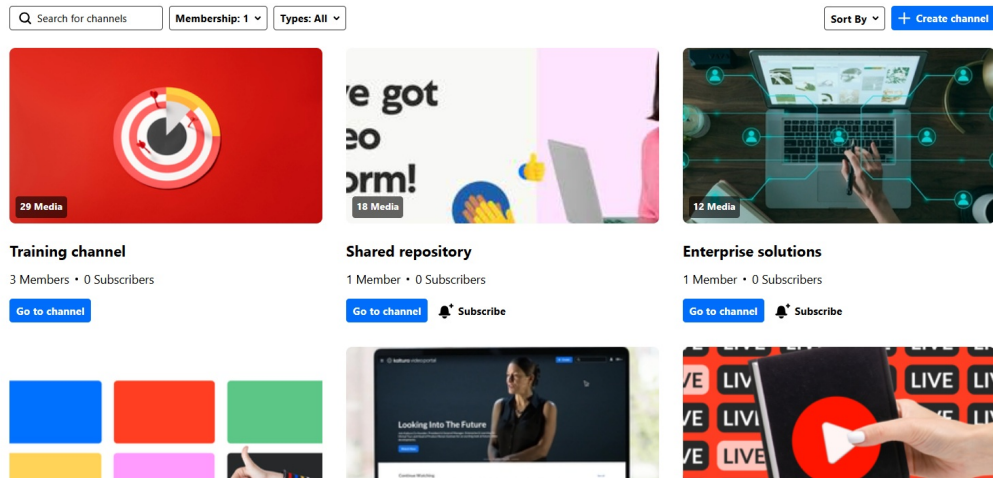

Access the channel

1. Select **My Channels** from the user menu.

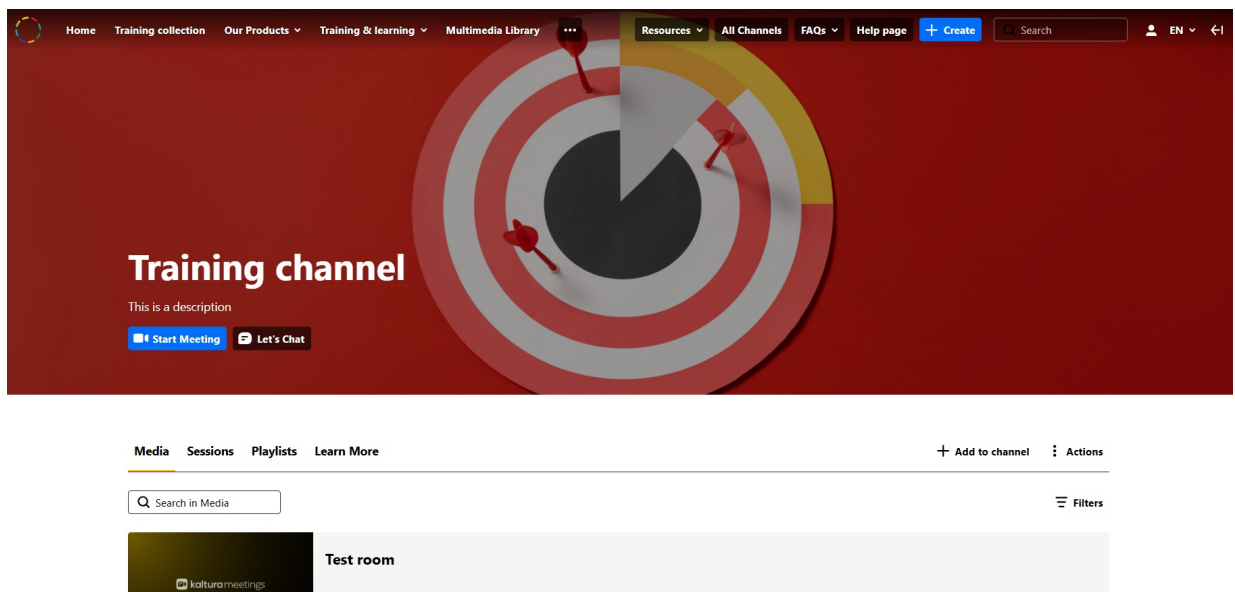

The 'My Channels' page displays.

Channels

2. Find the channel you want, and click **Go to channel**.

The channel displays.

Access the playlists

Click the **Playlists** tab.

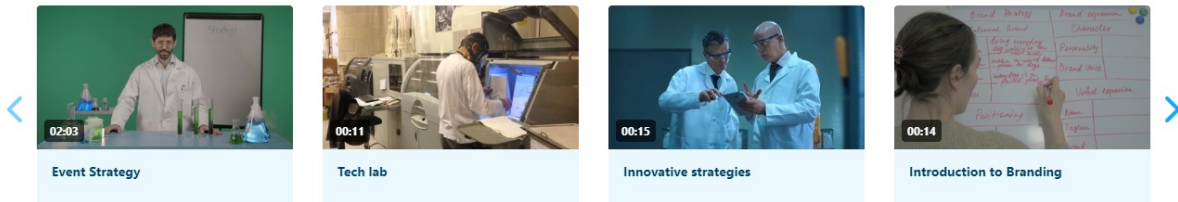

The tab is visible only if playlists are available in the channel.

Media Sessions **Playlists** ⋮ Actions

My Playlist

[See All](#)

Playlists are displayed with a name, description (if configured), and accompanying media thumbnails to identify the content.

Click **See All** to see the entire playlist.

My Playlist

This is an example of a playlist description.
