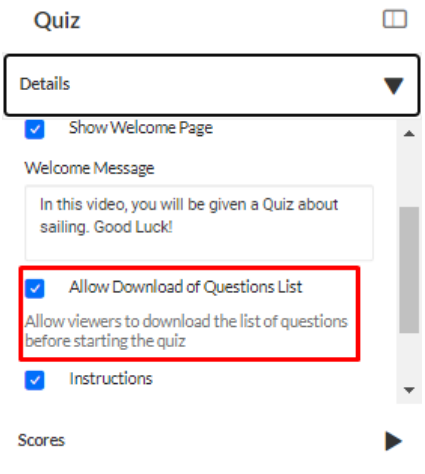
Add pre-test questions to a quiz

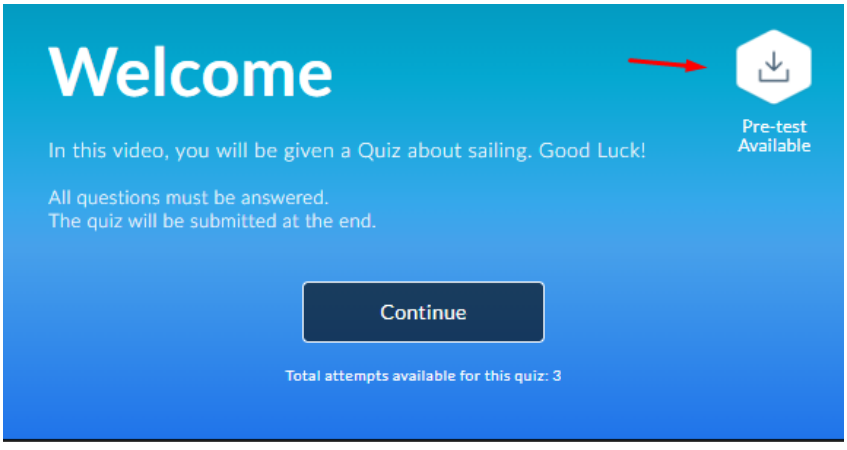
This article is designated for all users.

If you want to (be nice and) allow your quiz participants to prepare for their quiz ahead of time, you can easily arrange for a Pre-test with all the questions and answers to be available!

Setting up the Pre-test is so easy, you hardly have to do anything. You just check **Allow Download of Questions List** in the Details tab (as shown below) when you create your video quiz .



When you preview the quiz, you'll see the Pre-test Available icon on the Welcome screen.



Once you've finished creating your quiz, the **Download Pre-test** option is clearly indicated on the opening screen.
