

# How to find your embedded video player id

Last Modified on 02/05/2024 8:14 am IST

 This article is designated for administrators.

1. Go to your LMS course page
2. Select a post with an embedded Kaltura media.
3. Click **Edit** to edit the post.
4. Select the `</>` icon on the text editor to switch to HTML.
5. Copy the **player ID** from the code.
