### About

Occasionally, you may need to delete a channel to keep your video portal updated. Make sure you have the required entitlements to delete a channel. For more information, read our article [Understanding channel roles and permissions](#). Follow the steps below to successfully delete a channel from your site.

### Access the channel edit page

1. From the user menu, select **My Channels**.
2. Click the **pencil icon** on the channel thumbnail you want to delete (it appears when you hover over the thumbnail).

**OR**

3. Click the channel thumbnail to open the media page, and from the **Actions menu** choose **Configure**.
4. The **Edit** page displays.

### Delete the channel

1. Scroll to the bottom of the page, and on the right side, click **Delete Channel**.

A warning message displays: *Are you sure you want to delete;(channel name)?*

2. Click **Delete** to continue.

A success message displays: *Channel (name) was deleted.*

The channel is deleted.
