👥 **This article is designated for all users.**

About

News images are a great component for your homepage or any Video Portal template page. This interactive element showcases a playlist of images with accompanying text, allowing users to access full articles by clicking on each item.

> ℹ️ The following instructions depend on having the Theming module enabled.

Prepare your news images
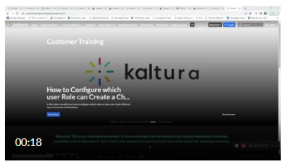

1. Select **My Media** from the user menu.

The **My Media** page displays.

Name:
(Required)   Tiles by Astrud

Description: Black ▾   Bold   *Italic*   Underline

Founded in 1984 in Mexico, Astrud has established itself as a renowned studio specializing in tiel design and captivating products. Over the years, the studio has expanded its scope and now encompasses architecture, landscape, scenography, fashion, as well as special projects and commissions.

As the studio celebrated its 35th anniversary, it received international acclaim for pioneering disruptive design, revolutionizing their field. Their innovative approach has paved the way for a groundbreaking design language. Deeply rooted in Mexcian culture and traditions, the work of Astrud encapsulates universal values at its core.

3. In the **Name** field, give your News Item a title.

4. In the **Description** field, add the text.
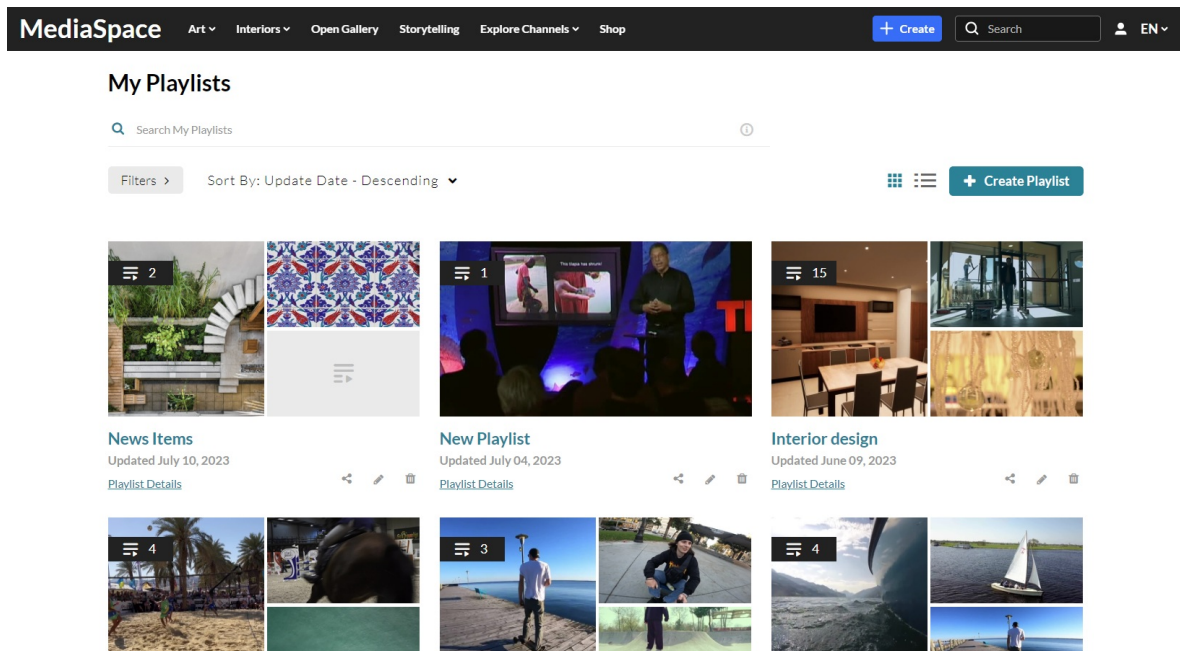

5. Add tags (optional).

6. Click **Save**.

Repeat these steps for each News Item you want to create.

Create the playlist

1. Select **My Playlists** from the user menu
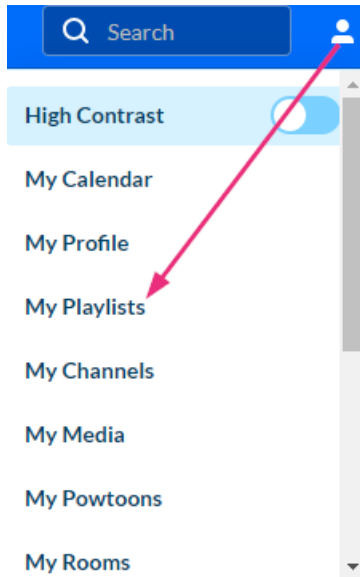

The **My Playlists** page displays.

2. Click **+ Create Playlist**. The **Create Playlist** window opens.

3. Complete the fields:

- **Title** (required)
- **Description**
- **Tags**

- Click **Create**.
- Add the News Images that you've created to the playlist.

- Click **Save**.

Your administrator can now add your News Images playlist to the page. For more information, see the templatepages module.

User experience

Below is an example of two News Images on a homepage.
