

Remove entries from your Watch List

Last Modified on 01/26/2025 10:58 pm IST

 This article is designated for all users.

About

Want to tidy up your Watch List by removing entries you've already viewed or no longer want to see? Follow these simple steps to manage and clear your Watch List easily.

Access your Watch List

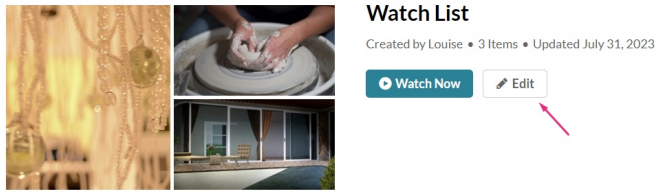

Select **Watch List** from the user menu.

The Watch List page displays.

Remove entries

1. On the Watch List page, click **Edit**.

Watch List

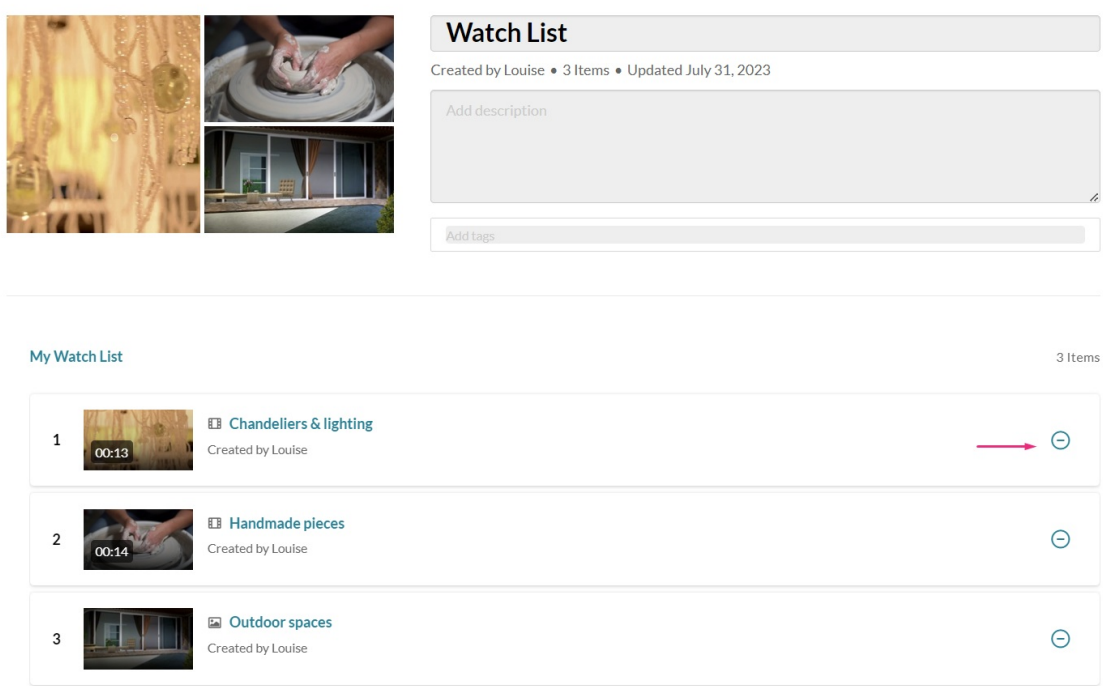

Created by Louise • 3 Items • Updated July 31, 2023

[Watch Now](#) [Edit](#)

- 1  **Chandeliers & lighting**
Created by Louise
- 2  **Handmade pieces**
Created by Louise
- 3  **Outdoor spaces**
